Everything you need to know about the Apple TV! Version 3.3, updated November 09, 2022 Whether you're considering an Apple TV, already own one, or have a smart TV or streaming device that

supports AirPlay and/or the Apple TV app, you can more fully enjoy Apple's ecosystem with this ultimate guide by TidBITS managing editor Josh Centers. You'll learn about the best TVs and sound equipment to buy, how to maximize your Apple TV's picture quality, get the most out of the Apple TV app, control your media with AirPlay, and so much more! Josh walks you through cables, ports, and setup, and explains how to use gestures and spoken commands with the Siri Remote—yes, you can talk to your TV! He helps you navigate and customize the Home screen, plus describes getting-started settings such as inputting your Apple ID and enabling parental controls. You'll learn how to use the TV app (whether on the Apple TV box itself, on a Mac running Ventura, Monterey, Big Sur, or Catalina; on an iPhone or iPad; or on a third-party smart TV), and how you can best view home movies and TV shows. The book also looks at using an Apple TV to listen to your music or Apple Music, download and play podcasts from the Podcasts app, and browse your photos. In *Take Control of Apple TV* you'll also read about:

- What's new in tvOS 16
- Which Apple TV model to buy—or whether you should get different hardware instead
- Getting the most out of your the Siri Remote (either version)
- Alternatives to the Siri Remote
- Using a game controller with Apple TV
- Controlling Apple TV with Shortcuts
- Using AirPlay to beam the display of your Mac or iPhone screen to your TV
- Making Mac or iOS/iPadOS audio play through your TV's speakers
- Running iTunes Home Sharing to play media from a local computer
- What you can do with Conference Room Display mode
- How to tell whether an iOS/iPadOS app includes a free copy of its Apple TV version
- How to reset or restore an Apple TV—useful for troubleshooting or for handing your device to a new owner

Americans are watching more television than ever before, and we're engaging online at the

same time we're tuning in. Social media has created a new and powerful "backchannel", fueling the renaissance of live broadcasts. Mobile and tablet devices allow us to watch and experience television whenever and wherever we want. And "connected TVs" blend web and television content into a unified big screen experience bringing us back into our living rooms. Social TV examines the changing (and complex) television landscape and helps brands navigate its many emerging and exciting marketing and advertising opportunities. Social TV topics include: Leveraging the "second screen" to drive synched and deeper brand engagement Using social ratings analytics tools to find and target lean-forward audiences Aligning brand messaging to content as it travels time-shifted across devices Determining the best strategy to approach marketing via connected TVs Employing addressable TV advertising to maximize content relevancy Testing and learning from the most cutting-edge emerging TV innovations The rise of one technology doesn't always mean the end of another. Discover how this convergence has created new marketing opportunities for your brand. This region takes in the contrasts of India. Mac. iPhone. iPad. Apple TV? While Apple TV may not get the same press as other Apple products, that is about to change. For years, Apple TV was touted as Apple's hobby product—something they tinkered with occasionally, but not something they put as much effort in as other Apple products. This guide is an introduction to the newest Apple TV (released in October 2015). If you are just "thinking" about making the switch from cable to streaming TV, then this book will show you how; if you've already made the switch, but you want to get the most out of it, then it will cover that as well. There's something for everyone here, so read on... Now in its 9th edition, this guide just keeps getting better.
