**La Tela Strappata** Oct 17 2022 «Fare una descrizione precisa di ciò che non ha mai avuto luogo è il compito dello storico». La sentenza di Oscar Wilde guida questa ricostruzione del rimosso del cinema del Novecento, la storia dei grandi film non fatti, dal Don Chisciotte di Welles al Viaggio di G. Mastorna di Fellini, dal Cristo di Dreyer al Napoleone di Kubrick, dal Que viva Mexico! e Il prato di Bežin di Ejzenštejn al The Day the Clown Cried di Lewis. E ancora, Godard, Pasolini, Munk, Vertov, Lanzmann: la storia di grandi progetti incompiuti, di riprese che si sono protratte per decenni e poi sono state dimenticate in qualche magazzino, immagini rimaste sulla carta oppure riutilizzate, ma al di fuori della loro destinazione originaria. Attraverso questo racconto, emerge il profilo di quello che il Novecento non ha saputo vedere e raccontare, il retro della Storia, nonché il profilo di una storia delle immagini del cinema che disloca la centralità della sala cinematografica per far emergere i meccanismi di negoziazione e i doveri d'autore che preludono alla visibilità o alla scomparsa di tali immagini perdute.

**Cercasi accompagnatore** Sep 04 2021 L'amministratore delegato Kennedy Grey pensava che la sua vita fosse ben pianificata, fino a quando ha assunto Kieran West, presunto eterosessuale, come accompagnatore per le sue vacanze. Negli ultimi cinque anni, l'amministratore delegato Kennedy Grey ha pubblicato annunci per cercare un accompagnatore gay che trascorresse con lui la sua unica vacanza annuale. Anche se Kennedy sostiene di essere neutrale nella sua scelta, fissa dei requisiti non negoziabili. I candidati devono avere un'età compresa tra i ventuno e i venticinque anni, non devono fumare, amano bere in compagnia, devono essere attivi o passivi ed essere in grado di recitare il ruolo di fidanzato devoto davanti al suo gruppo di amici gay. Che cosa ottiene in cambio il prescelto? Una vacanza completamente spesata e cinquemila sterline in contanti al termine del viaggio, di più se il candidato supera le aspettative di Kennedy, un extra abbastanza sicuro perché negli ultimi tre anni nessuno lo ha fatto. Kieran West siede in un angolo tranquillo della caffetteria, cercando di finire un compito. A ventinove anni è di nuovo single. Alla sua età dovrebbe essersi sistemato. Ma quando quella che da tre anni è la sua fidanzata gli dà un ultimatum, sposarsi o lasciarsi, Kieran sceglie di lasciarla. E la cosa peggiore è che non si fa nessuno scrupolo a farlo. E le sue finanze? Avendo una serie di prestiti studenteschi in sospenso, sta lottando per finire il suo master e mantenere suo fratello all'università. Perdere il lavoro all'agenzia immobiliare non poteva arrivare in un momento peggiore. Poi ascolta l'uomo a un tavolo vicino che sta assumendo qualcuno in cambio di uno stipendio da 5000 sterline. Che cosa ha da perdere?

**The Fight for Greek Sicily** Mar 18 2020 The island of Sicily was a highly contested area throughout much of its history. Among the first to exert strong influence on its political, cultural, infrastructural, and demographic developments were the two major decentralized civilizations of the first millennium BCE: the Phoenicians and the Greeks. While trade and cultural exchange preceded their permanent presence, it was the colonizing movement that brought territorial competition and political power struggles on the island to a new level. The history of six centuries of colonization is replete with accounts of conflict and warfare that include cross-cultural confrontations, as well as interstate hostilities, domestic conflicts, and government violence. This book is not concerned with realities from the battlefield or questions of military strategy and tactics, but rather offers a broad collection of archaeological case studies and historical

essays that analyze how political competition, strategic considerations, and violent encounters substantially affected rural and urban environments, the island's heterogeneous communities, and their social practices. These contributions, originating from a workshop in 2018, combine expertise from the fields of archaeology, ancient history, and philology. The focus on a specific time period and the limited geographic area of Greek Sicily allows for the thorough investigation and discussion of various forms of organized societal violence and their consequences on the developments in society and landscape.

**Digital Resources, Creativity and Innovative Methodologies in Language Teaching and Learning** Apr 11 2022 The concept of university language centres has changed in recent decades. Initially conceived as laboratories for practical and autonomous language-learning, they are now considered as places with more specific and complex functions in language teaching and learning. University language centres now constitute networks for exchanging knowledge and know-how in order to respond to ever-changing, multilingual and multicultural contexts. At the same time, the availability and acquisition of new technologies is contributing to the creation of new tools for the provision of appropriate services and training. This collection covers a wide range of topics related to the activities, experiences and applied research carried out in Italian university language centres. It provides further evidence of the important role university language centres play in promoting language expertise, developing tools and adopting digital resources, and providing support and training for language teaching. Technology, creativity, methodologies and plurilingualism are key topics in the book as they constitute the essential ingredients for effective and successful language teaching and learning. The volume's thirty-three chapters provide multi-perspective approaches, showing how the real contexts of current language education need the integration of theoretical backgrounds with the best practices resulting from practical experience.

Cantine di Alba. Winemakers of Alba Jul 14 2022 La prima guida della cantine di Alba. La pubblicazione della guida dei produttori della città di Alba è un momento da celebrare. Si tratta infatti di uno dei primi tentativi di unire sotto un'unica bandiera i moltissimi produttori della capitale delle Langhe, creando una sinergia e un'unione che, speriamo, sia solo il primo passo di una promozione a lungo termine. L'idea che sta infatti alla base della pubblicazione è che questa funga da motore di valorizzazione, una sorta di innesco a partire dal quale i produttori albesi potranno proporsi ad eventi nazionali e internazionali con forze e contenuti che solo un solido gruppo possono garantire. La guida va dunque sfogliata "in divenire", augurandosi cioè che fondi le basi di un'associazione che continuerà a portare il nome vitivinicolo di Alba nel mondo. Ma la guida dell'Associazione Cantine di Alba va anche consultata per il suo lato pragmatico... The first guide to the wineries of Alba The publication of the guide to the wineries of the city of Alba is something to celebrate. In fact it is one of the first attempts to unite the plethora of producers in the capital of the Langhe in a common cause, creating a synergy and togetherness that we are certain is just the first step toward long-term promotion. In fact, the idea behind the publication was that it would act as a booster – a springboard for the producers of Alba to propose their participation in national and international events with the forces and the content that only a solid group can guarantee. One must therefore flip through the guide aware that it is in evolution, hoping that it will lay the foundations for an association that will continue to carry the flag of Alba's winemaking out in the world.

**Eranos Yearbook 71: 2012 – Beyond Master, Spaces without Thresholds** Nov 13 2019 The 71st volume of the Eranos Yearbooks, *Beyond Masters – Spaces Without Thresholds*, presents the work of the activities at the Eranos Foundation in 2012. The book gathers the lectures organized on the theme of the 2012 Eranos Conference, "On the Threshold – Disorientation and New Forms of Space" together with the talks given on the occasion of the 2012 Eranos-Jung Lectures seminar cycle, on the topic, "The Eclipse of the Masters?" This volume includes essays by Valerio Adami, Stephen Aizenstat, Claudio Bonvecchio, Michael Engelhard, Adriano Fabris, Maurizio Ferraris, Mauro Guindani, Nikolaus Koliussis, Fabio Merlini, Bernardo Nante, Fausto Petrella, Gian Piero Quaglino, Shantena Augusto Sabbadini, Amelia Valtolina, and Marco Vozza. Each lecture is reproduced in the language in which it was presented: 12 essays in Italian, 3 in English, and 2 in German.

Europäische Musiker in Venedig, Rom und Neapel 1650-1750 Jul 22 2020 Der Abschlussband des deutsch-französischen ANR-DFG-Projekts MUSICI widmet sich der Musikermigration im Europa der Frühen Neuzeit mit einem kultur- und musikgeschichtlichen Blick auf Venedig, Rom und Neapel als Reiseziele und Wirkungsorte von Instrumentalisten, Sängern, Komponisten und Instrumentenbauern, die nicht von der italienischen Halbinsel stammten. Im Sinne einer "histoire croisée"

werden Netzwerke, Integrations- und Austauschprozesse aufgedeckt, mit denen fremde Musiker zwischen musikalischem Alltag und herausragenden Festlichkeiten konfrontiert waren. Auf dieser Grundlage wird eine systematische Betrachtung der frühneuzeitlichen Musikermigration sowie eine Untersuchung musikalischer Stile jenseits nationaler Forschungstraditionen möglich.

Liver Growth and Repair Nov 06 2021 Nelson Fausto The Greek myth of Prometheus with its picture of a vulture feasting on its chained victim has traditionally provided a visual image of liver regeneration. It is a powerful and frightening representation but if one were to substitute the vulture by a surgeon and Prometheus by a patient laying on a properly prepared operating table, the outcome of the procedure would not differ significantly from that described by Greek poets. Yet few of us who work in the field have stopped long enough to ask where this myth originated. Did the poet observe a case of liver regeneration in a human being? Was it brilliant intuition or perhaps, literally, just a 'gut feeling' of a poet looking for good rhymes that led to the prediction that livers grow when part of the tissue is removed? This book does not attempt to solve these historical issues. It does, instead, cover in detail some of the major modern themes of research on liver regeneration, injury and repair. As indicated in Dr. N. Bucher's chapter, the modern phase of experimental studies on liver regeneration started in 1931 with the publication by Higgins and Anderson of a method to perform a two-thirds resection of the liver of a rat. The technique described has 3 remarkable features: 1) it is highly reproducible, resulting in the removal of 68% of the liver, 2) it has minimal if any mortality, and 3) it consists only of blood vessel ligation and does not involve cutting through or wounding hepatic tissue.

Commerce and Monetary Systems in the Ancient World Feb 26 2021 This volume forms the proceedings of the Fifth Annual Symposium of the Assyrian and Babylonian Intellectual Heritage Project held in Innsbruck in 2002. Twenty-nine specialist contributions focus on the economic aspects of the 'diffusion and transformation of the cultural heritage of the ancient Near East'. Eight thematic sections discuss: Near Eastern economic theory; Mesopotamia in the third millennium BC; Mesopotamia and the Levant in the first half of the first millennium BC; Levant, Egypt and the Aegean world during the same time span; Greece and Achaemenids, Parthians, Sasanians and Rome; social aspects of this exchange, including its effects on religion, borders, education and cosmology. The scope of the papers is wide, with subjects including Babylonian twin towns and ethnic minorities, archaic Greek aristocrats, the Phoenicians and the birth of a Mediterranean society, slavery, Iron Age Cyprus, Seleucid coins, the 'Silk Route', and Greek images of the Assyrian and Babylonian kingdoms. Sixteen papers in English, the rest in German.

**Boudica's Odyssey in Early Modern England** Feb 15 2020 This diachronic study of Boudica serves as a sourcebook of references to Boudica in the early modern period and gives an overview of the ways in which her story was processed and exploited by the different players of the times who wanted to give credence and support to their own belief systems. The author examines the different apparatus of state ideology which

processed the social, religious and political representations of Boudica for public absorption and helped form the popular myth we have of Boudica today. By exploring images of the Briton warrior queen across two reigns which witnessed an act of political union and a move from English female rule (under Elizabeth I) to British/Scottish masculine rule (under James VI & I) the author conducts a critical cartography of the ways in which gender, colonialism and nationalism crystallised around this crucial historical figure. Concentrating on the original transmission and reception of the ancient texts the author analyses the historical works of Hector Boece, Raphael Holinshed and William Camden as well as the canonical literary figures of Edmund Spenser, William Shakespeare and John Fletcher. She also looks at aspects of other primary sources not covered in previous scholarship, such as Humphrey Llwyd's Breuiary of Britayne (1573), Petruccio Ubaldini's *Le Vite delle donne illustri, del regno d'Inghilterra, e del regno di Scotia* (1588) and Edmund Bolton's *Nero Caesar* (1624). Furthermore, she incorporates archaeological research relating to Boudica.

**Florence: Capital of the Kingdom of Italy, 1865-71** Feb 09 2022 This edited collection provides the first comprehensive history of Florence as the mid-19th century capital of the fledgling Italian nation. Covering various aspects of politics, economics, culture and society, this book examines the impact that the short-lived experience of becoming the political and administrative centre of the Kingdom of Italy had on the Tuscan city, both immediately and in the years that followed. It reflects upon the urbanising changes that affected the appearance of the city and the introduction of various economic and cultural innovations. The volume also analyses the crisis caused by the eventual relocation of the capital to Rome and the subsequent bankruptcy of the communality which hampered Florence on the long road to modernity. *Florence: Capital of the Kingdom of Italy, 1865-71* is a fascinating study for all students and scholars of modern Italian history.

Just for Jesus Nov 25 2020 This engaging story of God's work in and through one family is a testament to His unpredictability and power. Until Jim follows God's plan, he uproots his family many times due to a restlessness he cannot shake. Then his infant son becomes critically ill, and Jim realizes that his family is safe only in God's will.
