Tunisian Crochet (FREE Bonus Included):25 Lessons On How To Crochet Beautiful Tunisian Patterns Crochet is by far one of the most beautiful crafts you can possibly do. While this isn't saying that other crafts aren't beautiful, there are few other crafts that can only be done by hand, and crochet is one of them. No matter how many things we as people invent, we have yet to create a machine that is able to crochet, so every single crocheted item that you see has to have been done by hand. Being able to crochet will open brand new doors of fun and excitement for you as it has for so many others. On one hand, it is a creative outlet where you can express yourself with a variety of colors and designs. On the other hand, it is therapeutic and relaxing. Many studies mention crocheting as an excellent exercise to relieve stress and promote happiness. This is something that is truly incredible for anyone who knows how to crochet. They know that no matter what it is they are making, they have to do it by hand, and the same goes for those that acquire crocheted projects. Each one is an original, as each one has to be made by hand. For anyone who knows how to crochet, they also know that it takes a very long time to make it across those long rows. If you are making any kind of pattern that is long and flat, such as a blanket or an Afghan, you are in for a long period of stitch by stitch, until now. Welcome to the world of Tunisian crochet. This is a crochet that is so much like knitting it is almost interchangeable, except for the fact that it has to all be done by hand, of course. When you are working Tunisian crochet, you are working with a hook that is so long, it is almost like knitting. This is strange to some, but don't worry, with practice, you are going to master the art of this handy little project. This book is going to show you exactly what you need to know to master the art of this craft, including: You will learn: How to follow patterns How to complete different stitches How to make a pattern your own How to design your own crafts And more!
