An up-to-date look at personal computers for the 90's. Using animated sequences and step-by-step instruction, guides viewers through the two principal 'platforms' of today: IBM compatible and Apple Macintosh. An authoritative introduction to implementing DotNetNuke Web sites, by experienced DotNetNuke implementers and trainers An impressive author team shows you how to easily build Web sites with a variety of content features - no programming experience required. If your goal is to build the site without worrying about the programming behind it, DotNetNuke 5 User's Guide gives you exactly what you need. After developing a groundwork in the DotNetNuke framework and DotNetNuke as a content management system, it provides installation and administration information. Then it takes you step by step through a variety of use cases, implementation strategies, and configuration decisions for various sites. Introduces the benefits of content management systems, open source, how DotNetNuke functions as a content management system, and DotNetNuke modules, pages, and skins Explains the installation process, options for installing DotNetNuke, and requirements, as well as administration functionality and content management fundamentals for DNN sites Examines different use cases, implementation strategies, and configuration decisions Shows how to develop and implement a personal Web site, a team or club community, a

small business site, and an enterprise solution Looks at various advanced topics relevant to all use cases, ranging from advanced installation options to detailed administrative features Includes a foreword by Shaun Walker, creator of DotNetNuke and Wrox DotnetNuke series editor DotNetNuke 5 User's Guide provides the tools you need to put this valuable technology to work. Lists citations with abstracts for aerospace related reports obtained from world wide sources and announces documents that have recently been entered into the NASA Scientific and Technical Information Database. The planning which users must undertake if they are to properly manage their natural gas purchases has become quite complex. This book explores the evolution of market changes and helps the reader understand ways of making the buying process more economical and beneficial. A completely revised edition of this best-selling Bible resource with new ideas, diagrams and illustrations Uniquely presented, this handbook uses modern language, humour and ingenious diagrams to bring the Bible to life. This title provides the latest, detailed reference material for all of the procedures in SAS/STAT software, and syntax, usage, and examples. "Bill Orr has produced a handy compendium of statistics, with cogent explanations, on the world economy in the 1990s. National incomes, output, trade, asset markets, debt, foreign aid and population are presented by nation, region and level of development. As a tool, it belongs in the office, study, or newsroom next to the dictionary, and the atlas." —Charles P. Kindleberger, Professor of Economics, Emeritus Massachusetts Institute of Technology The Global Economy in the 90s provides a broad statistical guide for all of us in an era of increasing international interdependence: a much-needed contribution. —Alfred J. Malabre, Jr., author of Within Our Means "Talk about timely! Like a light in the dark swamp of geo- political-governmental charts, graphs, and tables. [Orr] is there standing over your shoulder, showing you how he interprets each and every graph, and before you know it, you've got your calculator out, and you start to see things that you never saw before. It's addictive. No boring textbook, this book is a masterfully navigated experience through a very confusing jungle. Orr has taken the statistics from dozens of sources and recast them into graphs that are so easy to read. Try it yourself, open the book anywhere. This is a real gem." &#Richard Barnaby, C.P.A., C.D.P.President, Business Support Services, Inc.Software for the Petroleum Trading Industry The Global Economy in the 1990s presents, in one comprehensive volume, essential facts and analyses of all aspects of an increasingly integrated global economy. Filled with hundreds of lively graphs that reveal trends and relationships, hundreds of tables that provide concrete numbers for individual research, and succinct short essays that put each facet of economic activity in its global context, this invaluable reference is derived and enhanced from over 20 official sources--including the World Bank, International Monetary Fund, GATT, United Nations, the U.S. Federal Reserve System, the U.S. Central Intelligence Agency, and the European Community. In a recent online survey, it was established that more than 80% of iPhone 11 Pro Max users are not maximizing the potentiality of their device up to 90%. This suggests that most users of iPhone devices are oblivious of many of its functionality. It is a complete waste to purchase an iPhone 12 Pro Max solely to make regular calls, and send text messages. Get the better of your iPhone 12 Pro Max device; do not under-use it.My iPhone 12 Pro Max
