The baby-sitting job that won't end... When my friends in the Unicorn Club and I took this baby-sitting job, we had no idea what we were getting ourselves into. I just wanted to help out Ms. Kemmer, this great woman who lives down the block. She just got divorced from her husband, and their separation is not exactly friendly. In fact, they're having a huge custody battle. I really feel bad for Ms. Kemmer. My parents just split up, and believe me, divorce is no picnic even without a custody fight! I'd do anything to help her, so when her regular baby-sitter couldn't watch little Annabel, I stepped right in. But then Ms. Kemmer called with some bad news -- she's stuck in Mexico! It looks like we'll have to take care of Annabel for days! And we can't tell anyone, because if her ex-husband finds out, Ms. Kemmer could lose custody of Annabel. But how can you keep a tiny, screaming baby a secret? The Unicorns are back and better than ever! Our Surprise Baby is book 1 of The Damned MC trilogy. Books 2 and 3, Our Surprise Wedding and Our Surprise Family are available everywhere now! The biker's thickness gave me morning sickness. I thought I could rescue him from a life of crime. But the bad boy biker didn't want anything I had to offer. Instead, he wanted to give me something of his own: The baby I'm carrying in my belly. It was my job to talk him out of his way of life. But Rust was playing me all along. He didn't want my help. He just wanted my body. Now, he's dragging me into an underworld that I'll never survive. But I can't say no to him. His touch, his scent, his power... It's all too much to resist. I'm a good girl librarian, not a rebel biker chick. But when I'm on the back of Rust's bike, I feel like the whole world is ours. I'll be whoever he wants me to be. His ride or die. His old lady. And the mother of his children. At least, until his enemies come for me and our baby. She ran away. I never knew about the baby. Christine is beautiful, got a mouth full of sass, and she owes me a favor. So I've been cashing in to make her mine. Every week I think I'm done with her, but she pulls me back in for another night of hot, wet action. When she finally pays off her debt, she'll be giving me more than just her body. My playboy lifestyle has a time limit. I want more. Marriage. Kids. It's time for me to settle down. Christine's perfect. She looks like an angel but she's a devil in bed. It's a match made in Heaven. She thought I was joking when I

dragged her to the altar. I said my vows and slipped my ring on her finger. I thought she'd make an honest man out of me. I was wrong. She ran off without a word. Two years of my life, gone. The baby I never knew, taken from me. But I'm not a man who ever gives up. I'll put my ring back on her finger. I'll make her mine again. And damn it, I'll give her another baby. My husband doesn't know about our baby... Two years ago I met Thane. I knew he was bad news, but his devilish smile pulled me into his lap and his honeyed tongue talked me into his bed. He was pure sin, good for one night of fun, and nothing else. For one night, I forgot about his dangerous side. He was all risk, and sleeping with him was a high. But then I got pregnant. He might have sweet-talked his way into my bed, but I wasn't going to raise my son with him. I ran away. He never knew about the baby. Now he's found us and he wants his family back. A bigger family... another baby. I never wanted to be part of his life. He's taken us to a dangerous place. I'm scared for myself, scared for my child. But when he wraps his arms around me, I always manage to forget the danger... Elisa's always wanted to be a published author. DAMON I'm a stone-cold killer....but she's melted my heart. Mafia soldier. Man-whore. Murderer. I'm the exact opposite of what a girl like Beatrice Bentley deserves. She's shy, innocent and beautiful, and I've never met a woman who can hold my attention like she does. A guy like me can only bring trouble for her, but the heat between us is undeniable, and every time I see her, I want to take her in my arms and show her what she's been missing all these years in her sheltered life as the child of a politician. Her father is running for President, and the chances of him letting a hitman anywhere near his precious daughter during the campaign are less than zero. I have a plan, though—a hitman always has a plan. The only thing I didn't plan was getting her pregnant... BEA I've finally tasted a real man...and the rest of the world will never taste the same. I've always been a good girl; always stayed on the straight and narrow and always done as I was told. It's hard not to when you're a Presidential candidate's daughter. As long as I keep toeing the line and keeping up my law school grades, my family will be happy, and I'll avoid any trouble. But then real trouble comes along, and it has a name—Damon Wilkerson. His gorgeous eyes are filled with sin, his lips tempt me like nothing else, and his body makes me want to join him on the dark side...but I didn't realize just how dark that side was.
