God is light and within it, there is no darkness This book was made with much love and thought. The ideas stated have been thought about and collected over the period of a year. When I started out my only motive was to make a book that would help in personal and global positive change. Within good time the book became so much more it became a guideline to living in a new state and a new positive/productive way. Many people will find that most of the ideas in this book ring a truth. My only wish is that people will pick up on this ringing vibration of truth and apply it to their lives. Should you have any questions about The Power Within Positivity, please send me an e-mail at [act\\_appalled@hotmail.com](mailto:act_appalled@hotmail.com).
