What more could there be to know about FDR, given how exhaustively his life has been written about? As it happens, there is more and that focuses on Lucy Mercer Rutherford, the queen of her Washington social circle, later FDR's friend and love-and Eleanor's rival, as the title of Christine Totten's work points out. In *Lucy Mercer Rutherford: Eleanor's Rival, FDR's Other Love*, Totten presents a carefully structured case for a deep and lasting but chaste love between Lucy and FDR, against the prevailing view that they were clandestine lovers. Totten's research into the personal memories of the Rutherford family and the public holdings of the FDR Library establishes a new rich understanding of Lucy Mercer Rutherford--her early life, her education, and her role in the social and political scene in Washington. This work gives Lucy Mercer Rutherford her due, as a woman in her own right as well as FDR's valued soul mate and friend. I Love Lucy's Lucy and Ethel are TV's original BFFs. This celebration of their friendship is the perfect way to share the laughter, joy, and love of best girlfriends. Everybody loves Lucy. And nothing has been more

enduring, from the 180 episodes of I Love Lucy that ran from 1951 to 1957 and have never been off the air since, than Lucy Ricardo's deep friendship with Ethel Mertz. Usually finding themselves in zany, hysterical situations, these best friends have always come through it (even with chocolate all over their faces) together. This book celebrates Lucy and Ethel's friendship, by illustrating, through images and text, not only it's timelessness, but universality. "I Love Lucy": The Joys of Friendship features more than fifty hilarious images of Lucy and Ethel paired with quotes from the show, "Well, of course, I'll need the help of a very loyal friend"; "Good friends are worth more than the price of a television set"; "What's wrong with good friends harmonizing a little? That's what the world needs more of"; and affirmations such as True friendship knows no distance, The only thing better than a good friend is a good friend and chocolate, and We can always make each other laugh. Michael Karol, the author of Lucy A to Z, has done it again! Lucy in Print digs deep to give Lucy fans (and who isn't one?) a unique look at Lucille Ball, her TV shows, and her co-stars, as reported by the press over the past 60 years. With commentary and analysis by the author, and visit to Lucy's birthplace in Jamestown, NY, and two lost plays about I Love Lucy! Out is a fashion, style, celebrity and opinion magazine for the modern gay man. Lazy Lucy is a lioness. She never goes hunting with the other lionesses. Instead, she sleeps all day and

eats the food they bring home. The other lionesses no longer like Lucy, and as Lucy gets fatter and fatter, there is no room for her in the lair. Lucy is lonely and sad. Then she has an idea. Will her idea work? Will the other lionesses love Lucy again? With fascinating insights into how both ordinary and famous Cuban-Americans, including Desi Arnaz, Oscar Hijuelos, Gloria Estefan, and José Kozer, have lived 'life on the hyphen', this is an expanded, updated edition of the classic, award-winning study of Cuban-American culture. Marketing exec Lucy Cunningham is thrilled when her firm lands The Palm Club account. The campaign concept for Miami's hottest fitness club was Lucy's idea: take one fitness-challenged woman, put her in front of TV cameras, and into the hands of the club's top personal trainer, Theo Redmond. And there's a big cash reward for each pound shed. It seems like a brilliant idea-until Lucy gets picked to be the guinea pig. It's obvious she needs to drop the pounds, but the idea of letting it all hang out in front of some Malibu Ken jock has her choking on her Milk Duds before she even begins! After one meeting, Theo knows Lucy will be his toughest client and one of the most unforgettable women he'll ever meet. Smart-mouthed and stubborn, it's clear she isn't fond of marching to anyone's drumbeat but her own. But she shocks Theo by rising to the challenge like a pro. And he finds his heart in jeopardy long before Lucy starts to slim down and turn heads. As Lucy sweats her way into a whole new life, things

start to heat up between her and Theo. But trust doesn't come easy for either of them. They've both been burned by romance in the past. Now Lucy and Theo are about to discover that appearances can be deceiving-and in the end, true love lies somewhere between pizza and Pilates... Lucille Ball has inspired and paved the way for many women in the modern comedy; including Ellen DeGeneres, Tina Fey, Amy Poehler and others. Lucille was one of the first women to run her own production company (Lucille Ball Productions - it came from Desilu Productions). Back in the days interracial dating was still taboo, yet Lucille Ball dated and married the Cuban-born actor, musician, and television producer Desi Arnaz. Lucille Ball was one of the first actresses to work on TV productions while being pregnant. Lucy's pregnancy would imply that sexual intercourse took place between husband and wife. During this era, it would have been offensive to have husband and wife even sleep in the same bed. It's insane. She went even further where Lucy gave birth to her son, Desi Jr. in the episode, "Lucy Goes to The Hospital" - this became a significant part of the American culture, and the episodes concerning Lucy's pregnancy reflected this. More people watched "I Love Lucy" that night than saw Eisenhower's inauguration as President of the United States. Lucille Ball was not a typical housewife as you probably guessed. Historically speaking, she is the first woman in comedy, in every sense of the word. There were no other women in

comedy before her. Lucille created this emerging trend to help other women get involved with comedy. At least the perception of it was still taboo. In this short biography, you are going to gain more insights of who Lucille Ball really was. The woman behind the legendary love story of television's most famous couple: Lucy and Desi. You'll also learn more about her personal life with Desi Arnaz, Gary Morton and her children. Lucille Ball was a very gifted performer and comedian. Nothing she did could ever match the enormity of "I Love Lucy." She left a legacy in a time when there was still so much laughter yet to come. If you want to learn more about Lucille Ball and her tumultuous life, grab your copy now! This book looks at political themes in the classic television show I Love Lucy. The book discusses the culture of the 1950's in the context of the role of the housewife, social mobility, and the American dream. LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use. Pulitzer Prize winner and New York Times bestseller: A "lush, tipsy, all-night mambo of a novel about Cuban musicians in strange places like New York City" (People). Brothers Nestor and Cesar Camillo arrive from Cuba in 1949 with dreams of becoming famous mambo musicians. This

memorable novel traces the arc of the two brothers' lives—one charismatic and macho, the other soulful and sensitive—from Havana to New York, from East Coast clubs and dance halls to the heights of musical fame. The basis for a popular film, *The Mambo Kings Play Songs of Love* “tells of the triumphs and tragedies that befall two men blessed with gigantic appetites and profoundly melancholic hearts. . . . Hijuelos has depicted a world as enchanting as that in Garcia Marquez’s *Love in the Time of Cholera*” (Publishers Weekly). “Rich and provocative . . . a moving portrait of a man, his family, a community and a time.” —Michiko Kakutani, *The New York Times*

Ray Abreu just met his forever guy: a handsome New York detective who's a cool, hot piece of man candy. But someone — or something — else is after Ray, and he's not used to losing. He's killer. And he'll redefine the meaning of forever. While Desi Arnaz and Lucille Ball are most closely associated with the classic situation comedy, *I Love Lucy*, the production company they founded in the 1950s, Desilu, made several other television series – some memorable like *The Lucy Show*, *The Untouchables*, *Mission:Impossible*, and *Star Trek*, and many almost forgotten such as *Willy and Grand Jury*. This book focuses on another aspect of Desilu – the all but forgotten TV pilots and unproduced specials contemplated by Desi and Lucy. Chronicled in this work are projects like Desilu's version of *Dallas* – not a soap opera but a Western, an anthology series

hosted by the artist Salvador Dali, Gene Roddenberry's cop dramas, Code 100 and Police Story, parodies of The Untouchables and The Flintstones, Desi's unproduced sitcom comeback titled Chairman of the Board, and a 1961 unproduced TV special that would have starred Lucy along with Vivian Vance and William Frawley and perhaps Desi Arnaz in a cameo role. These and many other such projects are chronicled for the first time in The Forgotten Desi and Lucy TV Projects: The Desilu Series and Specials that Might Have Been. Richard Irvin is the author of several books about television history including Four Star Television Productions: A History of the Business, Series, and Pilots of the Iconic Television Production Company, The Early Shows: A Reference Guide to Network and Syndicated Prime-Time Television Series from 1944 to 1949, and Spinning Laughter: Profiles of 111 Proposed Comedy Spin-offs and Sequels that Never Became a Series – all from Bear Manor Media. The form is so elemental, so basic, that we have difficulty imagining a time before it existed: a single set, fixed cameras, canned laughter, zany sidekicks, quirky family antics. Obsessively watched and critically ignored, sitcoms were a distraction, a gentle lullaby of a kinder, gentler America—until suddenly the artificial boundary between the world and television entertainment collapsed. In this book we can watch the growth of the sitcom, following the path that leads from Lucy to The Phil Silvers Show; from The

Dick Van Dyke Show to The Mary Tyler Moore Show; from M*A*S*H to Taxi; from Cheers to Roseanne; from Seinfeld to Curb Your Enthusiasm; and from The Larry Sanders Show to 30 Rock. Each sitcom episode is a self-enclosed world, a brief overturning of the established order of its universe before returning to the precise spot from which it had begun. In twenty-four episodes, Sitcom surveys the history of the form, and functions as both a TV mixtape of fondly remembered shows that will guide us to notable series and larger trends, and a carefully curated guided tour through the history of one of our most treasured art forms. Saul Austerlitz is the author of *Another Fine Mess: A History of the American Film Comedy*, named by Booklist as one of the ten best arts books of 2010, and *Money for Nothing: A History of the Music Video from the Beatles to the White Stripes*. His work has been published in the *New York Times*, *Los Angeles Times*, *Boston Globe*, *Slate*, and elsewhere. Lucy Mae Johnson's life journey will make you appreciate miracles, challenges, overcoming obstacles, and above all, love. Her journey will make you smile, laugh and cry and appreciate the power of faith in God. Lucy was a friend, comrade, spiritual guide, and as her daughter lovingly calls her, "mother hero." She always wanted to document her life story and provided her only daughter with a great oral history of her growing up in the rural south. *Love Lucy* will carry you through a range of emotions as it depicts a kind soul coming of age in life, love, and

God. Her story as a spiritual and birth mother is profound and describes her impact of love and sweet potato pie. Love Lucy will remind you of the mother hero in your life, that person who loves you unconditionally, and how their quiet, powerful presence impacts your journey every day. The creator of "I Love Lucy" gives an inside view of television history THE NEW YORK TIMES BESTSELLER The one and only autobiography by the iconic Lucille Ball, hailed by TV Guide as the "#1 Greatest TV Star of All Time." Love, Lucy is the valentine Lucille Ball left for her fans—a warm, wise, and witty memoir written by Lucy herself. The legendary star of the classic sitcom I Love Lucy was at the pinnacle of her success when she sat down to record the story of her life. No comedienne had made America laugh so hard, no television actress had made the leap from radio and B movies to become one of the world's best-loved performers. This is her story—in her own words. The story of the ingenue from Jamestown, New York, determined to go to Broadway, destined to make a big splash, bound to marry her Valentino, Desi Arnaz. In her own inimitable style, she tells of their life together—both storybook and turbulent; intimate memories of their children and friends; wonderful backstage anecdotes; the empire they founded; the dissolution of their marriage. And, with a heartfelt happy ending, her enduring marriage to Gary Morton. Here is the lost manuscript that her fans and loved ones will treasure. Here is the laughter. Here is the life.

Here's Lucy... "The comic actress in her own words...intensely moving."—San Francisco Chronicle "Filled with light and laughter."—New York Times Book Review

Looking for a special Funny gift for that one person you truly love? You are A TV shows/series/movies Lover ? Buy this Super and tidy Notebook for your lover or yourself it is Cute Funny Journal Perfect for Study , Collection, Moments Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 29. Chapters: Desi Arnaz, Lucille Ball, Vitameatavegamin, Vivian Vance, William Frawley. Excerpt: I Love Lucy is an American television sitcom starring Lucille Ball, Desi Arnaz, Vivian Vance, and William Frawley. The black-and-white series originally ran from October 15, 1951, to May 6, 1957, on the Columbia Broadcasting System (CBS). After the series ended in 1957, however, a modified version continued for three more seasons with 13 one-hour specials, running from 1957 to 1960, known first as The Lucille Ball-Desi Arnaz Show and later in reruns as The Lucy-Desi Comedy Hour. I Love Lucy was the most watched show in the United States in four of its six seasons, and was the first to end its run at the top of the Nielsen ratings (an accomplishment later matched by The Andy Griffith Show and Seinfeld). I Love Lucy is still syndicated in dozens of languages across the world. The show was the first scripted television program to be shot on 35 mm film in front of a studio audience, and won five Emmy

Awards and received numerous nominations. In 2002, it ranked second on TV Guide's list of television's greatest shows, behind Seinfeld and ahead of The Honeymooners. In 2007 it was listed as one of Time magazine's "100 Best TV Shows of All-TIME." I Love Lucy remains popular, with an American audience of 40 million each year. Originally set in an apartment building in New York City, I Love Lucy centers on Lucy Ricardo (Lucille Ball) and her singer/bandleader husband Ricky Ricardo (Desi Arnaz), along with their best friends and landlords Fred Mertz (William Frawley) and Ethel Mertz (Vivian Vance). During the second season, Lucy and Ricky have a son named Ricky Ricardo Jr. ("Little Ricky"), whose birth was timed to coincide with Ball's real-life delivery of her son Desi Arnaz Jr. Lucy is naive and ambitious, with an undeserved zeal for... Bilingual poems, many of them. A Brazilian poet, citizen of the world. Autobiographical poems of a romantic sacred love. A life lived and gone. Honoring her, Lucy. Amores sagrados. Sao Paulo. Brasil. Amores sagrados. Television today is better than ever. From The Sopranos to Breaking Bad, Sex and the City to Girls, and Modern Family to Louie, never has so much quality programming dominated our screens. Exploring how we got here, acclaimed TV critic David Bianculli traces the evolution of the classic TV genres, among them the sitcom, the crime show, the miniseries, the soap opera, the Western, the animated series, the medical drama, and the variety show. In each genre he selects five key examples of the form to illustrate its continuities and its dramatic departures. Drawing on exclusive and in-depth interviews with many of the most famed auteurs in television history, Bianculli shows how the medium has evolved into the premier form of visual narrative art. Includes interviews with: MEL BROOKS, MATT GROENING, DAVID CHASE, KEVIN SPACEY, AMY SCHUMER, VINCE GILLIGAN, AARON SORKIN, MATTHEW WEINER, JUDD APATOW, LOUIS C.K., DAVID MILCH, DAVID E. KELLEY, JAMES L. BROOKS, LARRY DAVID, KEN BURNS, LARRY WILMORE, AND MANY, MANY MORE Between the pre-feminist antics of Lucy Ricardo & the post-feminist musings of the women in 'Friends', the depiction of women on television has evolved in as many interesting &

surprising ways as the women's movement itself. Best-selling author Michael Karol (Lucy A to Z: The Lucille Ball Encyclopedia) is at it again, with a book of lists honoring Lucy's 100th birthday and the 60th anniversary of I Love Lucy — both of which occur in 2011! Chapter titles include Headline News, Lucy by the Numbers, The Lucy Show Mystery, Mam'selle Mame, and many more...with an exclusive list by Lucille Ball's and Desi Arnaz's good friend, comedian Kaye Ballard (The Mothers-In-Law). You'll laugh, learn and love this unique peek into the Lucyverse. An analysis of I Love Lucy, one of the best loved sitcoms in the history of American television. What more could there be to know about FDR, given how exhaustively his life has been written about? As it happens, there is more and that focuses on Lucy Mercer Rutherfurd, the queen of her Washington social circle, later FDR's friend and love-and Eleanor's rival, as the title of Christine Totten's work points out. In Lucy Mercer Rutherfurd: Eleanor's Rival, FDR's Other Love, Totten presents a carefully structured case for a deep and lasting but chaste love between Lucy and FDR, against the prevailing view that they were clandestine lovers. Totten's research into the personal memories of the Rutherfurd family and the public holdings of the FDR Library establishes a new rich understanding of Lucy Mercer Rutherfurd--her early life, her education, and her role in the social and political scene in Washington. This work gives Lucy Mercer Rutherfurd her due, as a

woman in her own right as well as FDR's valued soul mate and friend. From award-winning director Jerry London-behind-the-scenes tales of famous actors, producers, television shows, and miniseries written in his inimitably humorous style. If you've ever wondered what happens on a set after the director calls, "Cut!" this book is for you. Jerry takes the reader into the heart and soul of the television business, revealing escapades of celebrities such as Lucille Ball, Rock Hudson, Mary Tyler Moore, Liam Neeson, Jane Seymour, and many others. Richly illustrated with more than seventy-five photographs, this book will take you into a world of exotic locations, competing egos, and big money stakes that only a rare few ever get to experience. "Thanks to Director Jerry London, playing John Blackthorn in James Clavell's *Shogun* was perhaps the high point in my long career. In his new book, *From I Love Lucy to Shogun . . . and Beyond*, Jerry brings back a deluge of exciting memories of our six-and-a-half-month shoot in Japan, and what a magnificent time it was! Jerry not only created one of the finest shows ever to grace TV, he now writes about that fabulous experience with wit and charm." -Richard Chamberlain, star of *Shogun*

Meet the Mertzses is an expansive dual biography chronicling the lives of two of America's most popular situation-comedy actors, William Frawley and Vivian Vance, who portrayed Fred and Ethel Mertz on *I Love Lucy*. This meticulously researched book contains interviews with Frawley's and

Vance's colleagues, friends, and relatives, and explores their personal and professional lives before, during, and after I Love Lucy. With a complete filmography and videography of each, Meet the Mertzses finally sets the record straight on the lives and legacies of these compelling stars who detested one another. You'll learn about: -Vance's successful Broadway career prior to I Love Lucy -Frawley's vaudevillian roots and his passion for baseball -Vance's nervous breakdown after the collapse of her first marriage -Frawley's drinking and carousing -Lucille Ball's caustic relationship with both of her costars -Vance's hatred of being known to the world as Ethel Mertz

In Rose Eichenbaum's latest book on the confluence of art making and human expression, she sits down with thirty-five modern day storytellers—the directors of theater, film, and television. Eichenbaum's subjects speak with revealing clarity about the entertainment industry, the role and life of the director, and how theatrical and cinematic storytelling impacts our culture and our lives. The Director Within includes interviews with Peter Bogdanovich (The Last Picture Show), Julie Taymor (The Lion King), Mel Brooks (Blazing Saddles), Tim Van Patten (The Sopranos, Boardwalk Empire), Hal Prince (The Phantom of the Opera), Barry Levinson (Rain Man), and many others. The interviews are skillfully crafted, sensitively executed, and brimming with honesty and insight. The accompanying portraits demonstrate

Eichenbaum's mastery of photography and convey the truth, depth, and intimacy of their subjects. The Director Within is an inspirational, informative, and entertaining resource for anyone interested in creativity, art making, and artistic collaboration. The book includes a listing of works from each of the directors. Learn to feast like Lucy, Ricky, Fred, and Ethel and entertain in retro style with this collection of craveable classic recipes inspired by one of the greatest TV shows of all time. Recipes include: Cuban dishes such as Ricky Ricardo's Arroz con Pollo and Tropicana nightclub favorites Chocolate treats and other sweet delicacies inspired by Kramer's Kandy Kitchen Mid-century Hollywood's finest fare, from episodes set in the sunny film capital Classic dishes from season three's "The Diner" "Pioneer Women" Fresh-Baked Bread (easy on the yeast!) Classic cocktails to toast life's big events -- plus a recipe for Vitameatavegamin, so you can spoon your way to health! The I Love Lucy Cookbook brings to scrumptious life food featured on the show, as well as tantalizing dishes inspired by classic episodes such as "Lucy's Italian Movie," "Job Switching," and "Paris at Last." Filled with photos and illustrations, the book is also an exuberant celebration of an era and unforgettable television moments. Out is a fashion, style, celebrity and opinion magazine for the modern gay man. Great art comes from great pain. Or that's the impression left by these haunting profiles. Pieced together, they form a revealing mosaic of the creative

mind. It's like viewing an exhibit from the therapist's couch as each entry delves into the mental anguish that afflicts the artist and affects their art. The scope of the artists covered is as varied as their afflictions. Inside, you will find not just the creators of the darkest of dark literature, music, and art. While it does reveal what everyday problem kept Poe's pen to paper and the childhood catastrophe that kept Picasso on edge, it also uncovers surprising secrets of more unexpectedly tormented artists. From Charles Schultz's unrequited love to J.K. Rowling's fear of death, it's amazing the deep-seeded troubles that lie just beneath the surface of our favorite art. As much an appreciation of artistic genius as an accessible study of the creative psyche, *Tortured Artists* illustrates the fact that inner turmoil fuels the finest work. Michael Karol, the author of *Lucy A to Z*, has done it again! *Lucy in Print* digs deep to give Lucy fans (and who isn't one?) a unique look at Lucille Ball, her TV shows, and her co-stars, as reported by the press over the past 60 years. With commentary and analysis by the author, and visit to Lucy's birthplace in Jamestown, NY, and two lost plays about *I Love Lucy*! The man Lucille Ball called the brains of *I Love Lucy* gives us an inside view of television history as it was being made. Jess Oppenheimer's famous sitcom was the most popular and influential television phenomenon in the history of the medium. Forty-five years after its debut, it remains a favourite the world over. Praise for the updated 2012

Kindle edition of Lucy A to Z: The Lucille Ball Encyclopedia "Very important. Fresh insights. The most detailed-and most enjoyable-book available on Lucille Ball. A must-have." -Laura Wagner, Classic Images "As we are producing the I Love Lucy 50th Anniversary Special, [Lucy A to Z] has been a godsend." -Lucie Arnaz, 2001 letter to author "[Lucy A to Z is a] compound of insight, fact, and trivia." -Stefan Kanfer, author, Ball of Fire "This new Fourth Edition of Lucy A to Z is a wonderful read and I'm very pleased to recommend it to everyone." -Wanda Clark, Lucille Ball's personal secretary "If you need any 'splainin' about Lucy' life and career, you'll find it here!" -Craig Hamrick, author, The TV Tidbits Classic Television Trivia Quiz Book

The one hundred most influential people of the twentieth century, as selected by the editors of Time magazine and featured in a series of documentaries produced by CBS. Colonialism left an indelible mark on writers from the Caribbean. Many of the mid-century male writers, on the eve of independence, looked to England for their models. The current generation of authors, many of whom are women, have increasingly looked--and relocated--to the United States. Incorporating postcolonial theory, West Indian literature, feminist theory, and African American literary criticism, Making Men carves out a particular relationship between the Caribbean canon--as represented by C. L. R. James and V. S. Naipaul, among others--and contemporary Caribbean women writers such as Jean

Rhys, and Jamaica Kincaid, Paule Marshall, and Michelle Cliff, who now live in the United States. Discussing the canonical Caribbean narrative as it reflects national identity under the domination of English cultural authority, Belinda Edmondson focuses particularly on the pervasive influence of Victorian sensibilities in the structuring of twentieth-century national identity. She shows that issues of race and English constructions of masculinity not only are central to West Indian identity but also connect Caribbean authorship to the English literary tradition. This perspective on the origins of West Indian literary nationalism then informs Edmondson's search for female subjectivity in current literature by West Indian women immigrants in America. *Making Men* compares the intellectual exile of men with the economic migration of women, linking the canonical male tradition to the writing of modern West Indian women and exploring how the latter write within and against the historical male paradigm in the continuing process of national definition. With theoretical claims that invite new discourse on English, Caribbean, and American ideas of exile, migration, race, gender identity, and literary authority, *Making Men* will be informative reading for those involved with postcolonial theory, African American and women's studies, and Caribbean literature. Presented in a single volume, this engaging review reflects on the scholarship and the historical development of American broadcasting *A Companion to the History of American*

Broadcasting comprehensively evaluates the vibrant history of American radio and television and reveals broadcasting's influence on American history in the twentieth and twenty-first centuries. With contributions from leading scholars on the topic, this wide-ranging anthology explores the impact of broadcasting on American culture, politics, and society from an historical perspective as well as the effect on our economic and social structures. The text's original and accessibly-written essays offer explorations on a wealth of topics including the production of broadcast media, the evolution of various television and radio genres, the development of the broadcast ratings system, the rise of Spanish language broadcasting in the United States, broadcast activism, African Americans and broadcasting, 1950's television, and much more. This essential resource: Presents a scholarly overview of the history of radio and television broadcasting and its influence on contemporary American history Contains original essays from leading academics in the field Examines the role of radio in the television era Discusses the evolution of regulations in radio and television Offers insight into the cultural influence of radio and television Analyzes canonical texts that helped shape the field Written for students and scholars of media studies and twentieth-century history, A Companion to the History of American Broadcasting is an essential and field-defining guide to the history and historiography of American broadcasting and its many cultural,

societal, and political impacts.
