Taking a pioneering approach to commentary writing, Brevard Childs gives an entirely original treatment to the book of Exodus. Apart from the philological notes and translation, this commentary includes a form-critical section, looking at the growth of the tradition in its previous stages; a consideration of the meaning of the text in its present form; and a consideration of its meaning in its total Old Testament Context. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing. This collection of 51 essays contains rich memories of Singapore's broadcasting pioneers based in their station atop Caldecott Hill. ON AIR captures the breadth and depth of their experiences over 82 years on the Hill; from the founding in 1936 of the British Malayan Broadcasting Corporation, to Radio and Television Singapore (RTS), to Singapore Broadcasting Corporation (SBC), and finally to what is today, Mediacorp. In this book, the writters have recorded eight decades worth of work experiences and have shared untold stories from the Japanese Occupation of Caldecott Hill, to the fascinating behind-the-scenes happenings that cast light and well known and well loved shows. Illustrated with rare, archival photographs, many not seen before, this publication is the first of its kind that gives an insight into the development of broadcasting in Singapore. Comprehensive yet portable, this account of the development of Chinese literature from the very beginning up to the present brings the riches of this august literary tradition into focus for the general reader. Organized chronologically with thematic chapters interspersed, the fifty-five original chapters by leading specialists cover all genres and periods of poetry, prose, fiction, and drama, with a special focus on such subjects as popular culture, the impact of religion upon literature, the role of women, and relationships with non-Sinitic languages and peoples. In this volume, the editors have brought together a rich multidisciplinary collection of papers on the incorporation and adaptation of existing stories in a new context. It presents a vast array of research in mutual interaction between ancient myths, Judaism, Christianity, Islam, and modern secular culture. "... wonderful way for adult sons and daughters to hopefully improve relationships with their Dad, learn something new or just have intriguing conversations with their fathers..." Author Christine Jackson What do you really know about your Dad?Do you know much about his childhood? The difficulties he has faced? The fun things he did? The things he wished he had done? Your dad is so much more than the man who raised you. He grew up in a time very different from yours—the beliefs, habits, and expectations were very different, as were the way things were done. Your dad has seen a lot in his life, getting to hear his journey will help you to understand him in a whole new light. Start the conversation with your dad, especially if he is elderly. This book is a guide which provides questions to ask, as well as how and when to ask them. Use this as a way to grow, mend and/or heal the relationship between you and your dad; preserve this man's journey through life and in particular his role as Dad. His story is his legacy to you. "...this book, Do You Know Your Dad's Story? becomes more valuable as the decades slip past, providing a snapshot in time not only of the individuals but also of the era in which they lived..." p.m.terrell, international award-winning, author Parental Alienation is psychological abuse when one parent deliberately destroys the relationship between the children and the other parent or grandparent. This book is dedicated to all the families who suffer from the abuse of Parental Alienation. PAS is a form of domestic violence perpetrated using psychological abuse. The stories and poems are real. The people are real. The hurt and anger are real. Let's not forget this and work to intervene early with prevention and intervention so we can stop PAS from harming any more families. This book in an anthology of short stories and poems. They all have a moral. Some involve witchery, and some supernatural. The poems were written by her late husband, his father and his uncle (also deceased). Just as the college entrance examination is over, my grandfather passed away. On the night when I went back home to mourn, my grandfather's corpse disappeared from the coffin ... "In recent years there has been a resurgence of interest in Hugo Gernsback, and the start of a serious study of the contribution he made to the development of science fiction. . . . It seemed to me that the time was due to reinvestigate the Gernsback era and dig into the facts surrounding the origins of Amazing Stories. I wanted to find out exactly why Hugo Gernsback had launched the magazine, what he was trying to achieve, and to consider what effects he had-good and bad. . . . Too many writers and editors from the Gernsback days have been unjustly neglected, or unfairly criticized. Now, I hope, Robert A. W. Lowndes and I have provided the grounds for a fair consideration of their efforts, and a true reconstruction of the development of science fiction. It's the closest to time travel you'll ever get. I hope you enjoy the trip."-Mike Ashley, Preface We bring you the very best in classic fantasy. From The Story of Doctor Dolittle by Hugh Lofting and The Magic City by E. The message the world hears from the church in America is confusing. Many of us have drifted so far from biblical teaching that those seeking our help cannot find it in the church. The picture of God we present is so removed from biblical truth that even our own children are without froundation and are leaving in great numbers. I do not accept the premise that the non-churched world has rejected God; many have never heard the compelling unfiltered Gospel truth preached with love. When we discard the biblical text and do not teach it to our people we give away the power to help those really needing the church. The church must make her own peace with God before the world can hear the voice of God from the church. Old Stories & Forgotten Lessons, Volume two is a Bible storybook written for adults. Volume two contains the stories of Moses, Joshua, the Judges and the Book of Ruth. The stories are set in time and place with secular history and each is self-contained with lessons gleaned from the stories to help us live our lives in a world which often denies that God exist. These stories should give us courage to face a society which often has angry words for those of us who believe in God. Our children are facing a hostle world which is not their friend; they will often feel isolate because of their belief. They need to know how the heros of our faith lived and led successful lives. The forty-six books of the Old Testament offer a rich feast of spiritual nourishment, yet they are by no means the easiest books to read and understand. Without a proper "tour guide," a person's trip through the Old Testament often ends shortly after it begins. The Stories of the Old Testament takes the difficult task of reading the Old Testament and turns it into an exciting and enjoyable journey. Author Jim Campbell leads readers through central texts, essential stories, and major figures of the Old Testament in one hundred carefully selected readings. Each of the readings is meant to be completed in one sitting and is paired with Jim's enlightening guide to the text. You'll also find dozens of short, easy-to-grasp informational pieces that supply the background and commentary you'll need to understand the Old Testament in context. Perhaps most important, Jim helps us connect our stories today to those of long ago and see ourselves as a part of God's ongoing redemptive work that began "in the beginning." This book is about abortion, but more specifically, about abortions sought due to a poor prenatal diagnosis or due to serious maternal health complications. This book contains 46 personal stories, each one from a woman who decided to interrupt a much-wanted and oftentimes much-planned pregnancy. There is very little societal support for parents who make this decision, which leaves most parents to deal with their sadness and grief alone. The purpose of the book is to share our stories in the hopes of helping other parents who have undergone a similar loss to feel less alone, less isolated, and less stigmatized. We hope to give a voice to all who have suffered a similar loss and to show that there are situations in which abortion is the most moral option. Although the focus of the book is to provide support to those who will make or have made a similar decision, we don't cast judgment on those who choose abortion for other reasons or those who choose to carry a pregnancy to term despite a poor prenatal diagnosis. We support all parents in choosing the path that is best for them. We support ALL choices. "The Second Vatican Council reinstated the ancient truth that it is the whole people of God who keep the faith. Analyzing the stories of leaders in both the Old Testament and the New from the viewpoint of the people who told them illustrates how the leaders and the people had always needed one another to balance their view of how they were following God's will as he led his people. Conflict was always a rule of life between them."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved Telling stories is the most effective and the easiest way to teach and preach ethics and morality, philosophy or human psychology, social ideals and religion, politics and social human behavior, emotions of love, hate, anger, and heroism to any age group of the species of mankind. We find many Akhyanas (stories) in the oldest available scriptures i.e. the eldest available scriptures i.e. the tenth Mandala of the Rigveda. The same is developed later on in Brahman literature, Upanishads, Puranas, Epics, and classical literature. The famous 'Panchtantra' is known to be written by Vishnu Sharma to teach politics to the three princes of King Amarshkti. Similarly, the author of Yogavasishtha has also, employed this technique of storytelling in expounding subtle ideals of Indian philosophy through Akhyanas in the book. Yogavasishtha like Srimad Bhagvadgita is the most appropriate, even in the present times of information technology for the most ordinary human being, anywhere in the world. It gives us 'Peace' the most sought-after thing in the present world. This book does not believe in renouncing the world or duties, unlike the Upanishads. Here the author has utilized 'Fifty-five' Akhyanas (Stories) to simplify the difficult ideals of Indian Philosophy. A few of them are repetitions, so to avoid repetition I have compiled them into fifty stories. "These words are my only way out of this self-built dungeon. I am not seeking redemption or salvation— I long ago traded God's grace for pride and praise. This journal is meant for those who still fall for the fairytale of true love, to educate them in the folly behind this mindless faith by revealing the ravages that come from believing in hopes and dreams, in passion and love. My only hope is that readers of this diary discover what I found out too late—that believing in the lie that

is true love is a dead end. Maybe then, those who read these words will understand why I threw myself into the restless azure waves 150 feet below my front window. My journal, bound in a cover made from a burlap bag that once held oysters my daddy shucked and ate, lies wedged between two rocks on the cliff's edge, so it will not blow over the side and join my body amidst the shells and stones below. I start at the beginning. I tell the truth, even about the lies LEO HARRELL LYNN, in his stunning debut novel, THE STONE HEART, eloquently explores a family's unsteady quest for love and their place in the world...a timeless tale of love, loss, and longing, and the lengths one will go to fight the long loneliness... 'Every spy who was shot in Cork was buried so that nothing was known about them. They just disappeared.' These are the words of an IRA commander recalling the War of Independence in Cork city. The Year of Disappearances examines this claim and others like it. It uncovers a web of suspicion and paranoia that led to scores of men and boys being abducted from their homes before being executed as 'enemies of the Republic' and their bodies buried. While some of this took place during the War of Independence, most of it happened the following year, during the so-called 'Cork Republic'. The net result was to change the demographic of the south-eastern corner of the city for ever, with hundreds of families fleeing and up to fifty individuals buried in unmarked graves in surrounding areas. Using a wide range of previously untapped sources, Murphy shines new light on one of the darker episodes of twentieth-century Irish history. Using Trauma-Focused Therapy Stories is a groundbreaking treatment resource for trauma-informed therapists who work with abused and neglected children ages nine years and older as well as their caregivers. The therapy stories are perfect accompaniments to evidence-based treatment approaches and provide the foundation for psychoeducation and intervention with the older elementary-aged child or early pre-teen. Therapists will also benefit from the inclusion of thorough guides for children and caregivers, which illustrate trauma and developmental concepts in easy-to-understand terms. The psychoeducational material in the guides, written at a third-to fourth-grade reading level, may be used within any trauma-informed therapy model in the therapy office or sent-home for follow-up. Each therapy story illustrates trauma concepts, guides trauma narrative and cognitive restructuring work, and illuminates caregiver blind spots; the caregiver stories target issues that often become barriers to family trauma recovery. No therapist who works with young trauma survivors will want to be without this book, and schoolbased professionals, social workers, psychologists and others committed to working with traumatized children will find the book chock-full of game-changing ideas for their practice. More than 300,000 copies sold! "This book will be like having the breath of God at your back. Let it lift you to new hope." —Dan B. Allender, PhD, author of Bold Love This new edition includes an expanded chapter on using the practical "prayer cards"—a hallmark of the teaching found in A Praying Life—and a chapter on the need and use of prayers of lament. Prayer is so hard that unless circumstances demand it—an illness, or saying grace at a meal—most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness—a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness, and spiritual lethargy. Prayer is all about relationship. Based on the popular seminar by the same name, A Praying Life has discipled thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). A Praying Life feels like having dinner with good friends. It is the way we experience and connect to God. In A Praying Life, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith. His most famous works are The Count of Monte Cristo and The Three Musketeers. Many of us assume that thinking is an inborn process that occurs naturally, without conscious effort on our parts, and as such, there are no "right" and "wrong" ways of going about it. However, as author Aaron Martin Crane explains in this book, most of us have established a vast repertoire of thinking patterns and habits that profoundly impact the way we see the world -- and can even determine whether or not we will achieve our goals. Read Right and Wrong Thinking and Their Results for straightforward advice on how to break free of the burden of self-destructive beliefs and attitudes. Once there was a little boy Arjun who has so many stories to tell but wants no one to interrupt in between .... He lost his mom on the same day when he came to this world. He wants to share so many things but unfortunately he finds no one as sensible enough to understand his state of mind and sometimes the circumstances forces him to keep secrets. His secret stuff remains hidden and the climax shocked him when finally an unexpected thing happened and he understood why "Some Stories Remains Untold FOREVER!!!". The story deals with the idea how we all have some secret stuff and nobody can deny the fact that they have some secrets in their lives .... Each and every one of us have some secret stuff. Is it good or bad to have secrets???Let the conversation begin!!! Interact with me on Twitter, Facebook and Instagram .... See you all there! This book is fascinating and unique. It is from the depths of the heart of our heavenly Father, of the heart of America, and of the heart of the Philippines. This book is about the stories that must be read for the glory of God. From the beginning and to the ending of this book, it is about the exciting glory of God and his power that will bring inspiration within your soul. This is an extraordinary and unforgettable treasure from heaven filled with hope, love, healing, restoration, deliverance, confidence, blessings, wisdom, knowledge, and his revelation. Esther is the one who breaks the ground, being a child living in the poorest country of the Philippines and being a brave woman coming to America. Her true story is a living testimony, and her experience is from the heart of pain, fear, hopelessness, suffering, persecution, abandonment, poverty, and even death. And because of God's grace and mercy, she turned the brokenness of her spheres into hope, love, and faith. Her life changed from being defeated to becoming a victor. And at the end, she experienced the joy, the beauty, and the triumph victory of God over her life. Instead of hate, her heart is filled with love and forgiveness for those who hurt and afflicted her. Esther experienced the love and the glory of God with many signs, wonders, and miracles in her life. It shows that God is real and that he is alive within her soul. She has passion to pray for those who have been afflicted and have many various diseases. She was doing the will of God over her life. God performed miracles for her by bringing her back from death to life. Through battling the cancer, she saw the work of the Great I Am, who rescued her; and by the grace of God, she is still standing. She was transformed from darkness to light, from slavery to freedom, from mourning to joy. God radiated his glory over her as she walked with him. God is the only one who can navigate her. This book will make and create a higher ground of his power over your life. God's fire and the essence of his word will cultivate and make your whole world upside down for his glory. By reading this book, your life will never be the same. It will transform you. While commentaries continue to be published on the book of Revelation, few, if any, attempt to interpret the Apocalypse in light of the political, historical, and cultural setting of John's original audience. The purpose of Seven Congregations in a Roman Crucible is to provide fresh and illuminating exeges of Revelation that takes seriously ancient literary and archaeological evidences. This book seeks to bring the reader into the world of John's Apocalypse with pictures of numerous sites and artifacts from the first and early second centuries AD. Moreover, the book also attempts to interpret John and his message through the lens of the Jewish prophetic tradition of Isaiah, Jeremiah, Daniel, Ezekiel, and other pertinent Second Temple works. Thus John stands in the prophetic heritage of Israel in his attempt to challenge, threaten, admonish, and praise the seven churches of Roman Asia whose members are suffering at the hands of the idolatrous Graeco-Roman culture in which they reside. Lawrence Herman Melville's Typee and Omoo by D.H. Lawrence Herman Melville (1819-1891) was an American novelist, short story writer, and poet of the American Renaissance period. His writing draws on his experience at sea as a common sailor, exploration of literature and philosophy, and engagement in the contradictions of American society in a period of rapid change. Edgar Rice Burroughs (September 1, 1875 – March 19, 1950) was an American author, best known for his prolific output in the adventure, science fiction, and fantasy genres. Best-known for creating the characters Tarzan and John Carter, he also wrote the Pellucidar series, the Amtor series, and the Caspak trilogy. Tarzan was immediately popular, and Burroughs capitalized on it in every way possible, including a syndicated Tarzan comic strip, movies, and merchandise. Tarzan remains one of the most successful fictional characters to this day and is a cultural icon. Burroughs's California ranch is now the center of the Tarzana neighborhood in Los Angeles, named after the character.
