Exclusive! The only official guide to this widely required teaching licensing exam, instantly downloadable for easy access. From ETS: the people who create the test! "I found this book very informative. It is clearly set out and the chapters are clear. I particularly liked how you can test yourself on all areas then check the answers along with an explanation. At the end of the book is a honest account from someone who completed their QTS and I enjoyed reading this." - Stephanie Kane, Teacher Training Candidate "I will recommend this book because it is up to date and because it covers both literacy & numeracy skills tests. It explains coherently what the tests are for. It shows how rigorous they are and why they are important - showing how they impact practice even if not in the trainee's specialist area. Everything a potential ITT trainee needs to know is covered. and shows it is more than just about passing the tests. There are good practice questions. IN a nutshell - everything a trainee needs is here!" -Mrs Sarah Barton, School of Education, Portsmouth University If you are applying to teacher training in England, you must pass your Professional Skills Tests for Trainee Teachers before you can start your training. Written by authors who have written questions for the test themselves, this is your guide to how to prepare for, approach and succeed in the Professional Skills Tests for Trainee Teachers. It takes you through how the tests work and includes hints and tips on what to expect and how to respond. It offers clear and concise guidance on revision and examples of questions so you can prepare for the tests and pass. This second

edition has been updated with added practice questions, and a new chapter with trainee and tutor profiles giving you up-to-date and focused insight into how to get into teacher training, and what it's like to complete the course. How to use this book The first chapter in this book will help you understand the context of the skills tests and direct you to useful sources where you can conduct your own research into schools and education. Having a familiarity with key terms and issues in education will prove useful both when approaching the skills tests and also at a later date when you apply for a training place. Subsequent chapters will outline the content and structure of the literacy and numeracy skills tests and offer you practice questions. Then there is a chapter designed to support your application to teacher training courses and provide suggestions and advice for the interview process. Finally, for this second edition a new chapter 'What is teacher training really like?' offers you real insight into initial teacher training from the point of view of the student and the tutor. About the authors Bruce Bond has been involved in writing, editing, observing, reviewing and trialling the QTS Literacy Skills Tests for over 10 years. Jim Johnson is an Honorary Fellow of Nottingham Trent University where, until his retirement, he led the English team in the Department of Primary Education. Mark Patmore was until recently a senior lecturer in mathematical education in the Department of Education at Nottingham Trent University. Nina Weiss has worked in education for over 30 years. Since 2008, she has been authoring and editing the QTS Skills Tests. Exclusive! The only official guide to this widely required teacher licensing exam, instantly downloadable for easy access. From ETS: the people who create the test! CD-ROM contains: hundreds of practice questions and score for the practice test. How to Pass the Professional Skills Test for Initial Teacher Training (ITT) provides complete practice for candidates applying to study for teacher training and those aiming for Qualified Teacher Status (QTS). The only book which combines all aspects of the test,

including numeracy, literacy as well as the new reasoning questions, it covers basic practice as well as more challenging questions. It provides mental arithmetic training to help you answer questions confidently without the use of a calculator as well as realistic test practice. With over 1000 questions and detailed answers with explanations, *How to Pass the Professional Skills Test for Initial Teacher Training (ITT)* is the only resource you'll need to pass the exam and start your teacher training with confidence. The Praxis I, required for entry into a teacher education program, is now being taken as early as freshman year of college. Praxis I covers each of the Pre-Professional Skills Test areas (reading, writing, and mathematics) in depth and provides three practice tests. A FREE CD-Rom is included to practice taking the test on a computer, an option at most test centers. Describes strategies teachers and pre-service teachers can use to pass the Pre-Professional Skill Test, commonly known as the PRAXIS. An essential book for anyone thinking of taking, or about to take, the Professional Skills Tests for Teachers. You must pass these tests before starting your course, and this up to date text tells you exactly what to expect and how to prepare for the latest versions of the tests. There is an emphasis on support and clear guidance throughout, along with plenty of practice material, so you can face the tests with confidence and succeed in your application. It provides: a guide to the variety of Initial Teacher Training (ITT) provision and routes into teaching a preparation timeline comprehensive coverage of both the numeracy and literacy tests an audit of your strengths and areas for improvement in literacy and numeracy example questions and answers, highlighting common errors, providing top tips for success, with theories and methods fully explained full practice papers plus test-taking and revision strategies discrete topics within the numeracy and literacy sections enabling focused learning, with explanations and hundreds of examples larger format pages, with topics covered across double page spreads for ease of use and more memorable learning. *How to*

"This book is fantastic and has been purchased by many of our students who have subsequently passed the skill test." - Sarah Martin-Denham, Faculty of Education and Society, University of Sunderland All applicants to Initial Teacher Training in England

need to PASS the QTS Literacy Skills Test before starting their course. This professional skills test is designed to ensure trainee teachers have a sound grasp of literacy skills such as comprehension and spelling and how to apply these in practice. This popular and widely recommended book outlines all of the requirements of the QTS Literacy Skills Test, explains the essential subject knowledge candidates need and includes practice questions for test preparation. This fourth edition, co-written by an author of the test itself, is updated throughout and now includes a full practice test, more practice questions and more question and answer commentary. This is more than a collection of practice questions. It includes advice, tips, test commentary and guidance to help students pass first time. It helps students to: familiarise yourself with the skills and knowledge to be tested fully understand the format and structure of the literacy skills test know what to expect on the day of the test

HOW TO USE THIS BOOK For the purposes of the test, literacy is seen as comprising the four sections: Spelling, Punctuation, Grammar and Comprehension. Each section has its own chapter. There you will find an explanation of the knowledge required, examples of the features of literacy being tested and explicitly direction about what to do in the test. There are practice questions for each section. Chapter 5 is a complete literacy practice skills test for you to work through, and Chapter 6 contains answers and explanatory key points for all the questions in the main chapters, and for the practice test. Revision checklist You can use the checklist in your revision to make sure that you have covered all the key content areas. The only official guide to The Praxis Series teacher-licensing exams--straight from the test makers If you're looking for the best, most trustworthy guide to the exams in The Praxis Series, you've found it. This official Praxis guide comes straight from ETS--the people who actually make the tests. It will show you exactly what to expect--whether you're taking the PPST test to begin your teaching career, the PLT to demonstrate your professional expertise, or a

Praxis II Subject Test to prove your knowledge of a specific K-12 teaching topic. Only ETS can give you real Praxis questions for practice, show you exactly what you'll see on-screen on the computerized exams, and share with you the test maker's own strategies for success. That's why this guide is your indispensable source for everything you need to know about The Praxis Series. No other Praxis guide gives you: 3 full-length real PPST exams--fully updated to reflect the latest test format Actual PLT and other Praxis questions in the latest formats Sample PPST essays with actual raters' comments The most current state-by-state teacher certification testing requirements Comprehensive outline of PLT study topics Thorough coverage of Praxis II Elementary Education tests ETS is a private, nonprofit organization devoted to educational measurement and research, primarily through testing. ETS develops and administers millions of achievement and admissions tests each year in the United States and 180 other countries. These include the TOEFL, GRE, Praxis, and other standardized tests. For more information from ETS on individual Praxis II exams, visit www.ets.org/praxis If you're preparing for the newly revised Numeracy and Literacy Skills Tests, Teacher's Skills Tests For Dummies is your one-stop for both exams, providing you with subject-matter review, revision and practice tests you need to tackle the tests with confidence and succeed. Written by expert authors in Maths, English, and Education (with the credentials to prove it), Teacher's Skills Tests For Dummies provides you with: - A review of the key maths and English concepts you need to know to do well - Full length practice tests and tons of additional practice questions - Online accessible audio tests for spelling and mental arithmetic — to better prepare you for the actual test - Tips and tricks (along with mistakes to avoid) to become a better test taker With this book — and a bit of work on your part — you'll be positioned to pass your skills tests and gain that coveted place on a teacher-training course. Up-to-the-minute preparation for one of the most widely used

teacher-licensing tests Praxis I, the PPST (Pre-Professional Skills Test), is the first portion of the Praxis exams now used to license beginning teachers in fourteen states and the District of Columbia. This trusted handbook is newly revised to include three full-length sample tests with explanations, in-depth review of all subjects tested, including reading, writing, and mathematics, and test-taking tips and strategies. Written to give instruction, practice, and test-taking tips to help prepare for taking the PPST tests. The tests are designed to be taken early in a student's college (US) career to measure whether the student has the skills needed to prepare for a career in education. Thorough explanations of the answers are provided and useful test-taking strategies are found throughout the guide. The three categories of assessments covered correspond to the three milestones in teacher development; academic skills, subject knowledge, and classroom performance. [publ. ed.].
