Exploration - supported by a full chapter, to guide you through this new component - Real world approach - connect mathematics with human behaviour, language, morality and more About the series: The only DP resources developed directly with the IB, the Oxford IB Expert writers share reflections on their experience, and explore issues for the future, of the International Baccalaureate Middle Years Programme. The issues raised are of interest and relevance to those with responsibility for MYP teaching, learning and administration in schools and will provoke interest in the programme amongst those considering its adoption. Directly linked to Oxford's bestselling DP Psychology resources, this new Course Preparation resource thoroughly prepares students to meet the demands of IB Diploma Programme Psychology. Ideal for students who have studied non-IB courses at pre-16 level, the text introduces learners to the IB approach, terminology and skills. The International Baccalaureate (IB) is a respected qualification gaining increasing currency around the world, and which has been adopted by a wide variety of schools, both public and private. In the UK, growing dissatisfaction with the A-level system has led to an intense debate about alternative qualifications, and in many schools IB courses have been introduced alongside conventional A-level courses. This practical introduction to the IB takes a balanced look at the pros and cons and features a wealth of advice from those actually involved in teaching and implementing it in schools. Providing comparative material on how IB courses differ from A-levels and a subject-by-subject account of best practice in teaching the IB, this book offers a rich source of practical advice for teachers, school leaders or managers involved in teaching or implementing the IB programmes. Offering an unparalleled level of assessment support, IB Prepared: Psychology has been developed directly with the IB to provide the most up-to-date, authentic and authoritative guidance on DP assessment. The IB Diploma Programme is a two-year pre-university high school programme. Schools wishing to introduce the Diploma Programme are faced with a major investment in terms of time, effort and money in order to become IB-authorized. This hands-on manual helps prospective schools to navigate the process by providing comprehensive information on the Diploma Programme and a clear roadmap for successful IB implementation. Prepare IB learners to achieve and progress. Developed directly with the IB for the revised syllabus first examined 2019, this Course Book fully supports all the SL and HL themes. Integrating concept-based learning and with even more support for EAL learners, this text helps you truly deliver the IB approach to learning Geography. Offering an unparalleled level of assessment support, IB Prepared: English B has been developed directly with the IB to provide the most up-to-date, authentic and authoritative guidance on DP assessment. With unrivalled guidance straight from the IB, over 700 pages of practice and the most comprehensive and correct syllabus coverage, this course book will set your learners up to excel. The only resource developed directly with the IB, it fully captures the IB ethos, connecting mathematical applications and practice with inquiry. Full syllabus coverage - the truest match to the IB syllabus, written with the IB to exactly match IB specifications Complete worked solutions - a full set of online worked solutions take learners through problems step-by-step inow updatedr Up-to-date GDC support - take the confusion out of GDC use and help students focus on the theory Definitive assessment preparation - exam-style papers and questions will build confidence Extensive practice - over 700 pages of practice cements comprehension The Exploration - supported by a full chapter, to guide you through this new component Real world approach - connect mathematics with human behaviour, language and more Equipping you to plan and implement Global Politics from day 1, this Course Book has been developed directly with the IB to help you get your programme off the ground. With a truly concept-based structure based around the central theme of People, Power and Politics it ensures critical understanding of big picture issues, problems and solutions. Written by experienced IB teachers and workshop leaders, this fully updated edition offers unrivalled coverage of the new 2014 syllabus. With the most comprehensive coverage of all the SL and HL topics, a special focus on concept-based learning helps you fully embed this new requirement - all the essential concepts are integrated at every stage, including change, culture and globalization. The only DP Business and Management text developed with the IB, rigorous exam support gives unrivalled insight into IB assessment and drives

high achievement. Thoroughly matched to the IB philosophy and encouraging a truly outward-looking approach, case studies and TOK connections ensure a firm understanding of today's increasingly international business environment. ·The most comprehensive coverage of the new 2014 syllabus, written by experienced IB teachers and workshop leaders ·Completely overhauled to comprehensively build the in-depth subject knowledge learners need for success ·Fully embed the new concept-b Offering an unparalleled level of assessment support, IB Prepared: Biology has been developed directly with the IB to provide the most up-to-date, authentic and authoritative guidance on DP assessment. Schools wishing to introduce the IB diploma programme are faced with major investment in terms of time, effort and money in order to become authorised. This manual is a resource for schools already offering the diploma, as well as for prospective diploma schools. Deze masterproef handelt over het International Baccalaureate (IB) en is opgedeeld in drie onderdelen. In het vooronderzoek wordt onderzocht of de Vlaamse onderwijsbeleidsinstanties geïnformeerd zijn over het bestaan en de inhoud van het International Baccalaureate. Het IB is een onderwijsorganisatie die sinds 1968 onderwijsprogrammas met een sterke internationale insteek aanbiedt aan scholen. Vanuit de hypothese dat dit niet het geval is werden verschillende instanties bevroegd. Het antwoord leidde unaniem tot de conclusie dat het IB DP (Diploma Programme) weinig of niet gekend is in het onderwijslandschap in Vlaanderen. Er zijn momenteel zeven privéscholen in Vlaanderen die het IB DP aanbieden. In de analyse wordt een beeld gevormd van wat het IB (DP) inhoudt en wat een school moet doen om het IB DP te mogen aanbieden aan zijn leerlingen. Zowel informatie vanuit de IB organisatie en enkele Vlaamse IB scholen als vanuit internationale onderzoeken werd naast elkaar gelegd om na te gaan wat het IB inhoudt en hoe deze Vlaamse scholen het IB DP implementeren. De informatie voor deze analyse werd vergaard via mailings, interviews, officiële documenten van verschillende bronnen en wetenschappelijk onderzoek. In deze analyse worden de verwachtingen en de standaarden van het IB beschreven. Er wordt een vergelijking gemaakt met hoe het er in de IB scholen, gevestigd in Vlaanderen, aan toe gaat. Deze analyse leidt tot enkele interessante bevindingen. De geïnterviewde Vlaamse IB coördinatoren beamen enerzijds de veelzijdigheid van het IB programma en geven informatie over de toepassing ervan. Anderzijds kunnen de zeven Vlaamse IB scholen een vertekend beeld geven van het IB DP gezien deze scholen allemaal private scholen zijn. Alle zeven vragen ze zeer hoge inschrijvingsgelden, waardoor eerder een specifiek publiek wordt aangetrokken. Dit terwijl in de analyse ook wordt aangetoond dat het IB niet streeft naar een welbepaald doelpubliek en eerder inclusief te werk wil gaan. Het IB is internationaal evenredig aanwezig in publieke scholen en private scholen. In de synthese wordt aangetoond op welke vlakken het IB DP interessant kan zijn in functie van de Vlaamse onderwijshervormingen. Dit is geen pleidooi ten voordele van het IB, maar eerder een vraag naar de overheid en aan de beleidsinstanties om hun ogen te openen en kennis te vergaren via bronnen en organisaties die veel expertise en ervaring bezitten. Directly linked to Oxford's bestselling DP Science resources, this new Course Preparation resource thoroughly prepares students to meet the demands of IB Diploma Programme Biology. Ideal for students who have studied non-IB courses at pre-16 level, the text introduces learners to the IB approach, terminology and skills.
