SUBJECT: Jumpmaster Course Student Conduct, Graduation Requirements and Grading Criteria The purpose of this memorandum is to outline the requirements for a student to successfully complete the United States Army Jumpmaster course within the administrative point system and all graded exams. 1. Students attending the Jumpmaster Course must conduct themselves in an appropriate and disciplined manner, on-duty and off-duty. Students who violate provisions of the Uniform Code of Military Justice (UCMJ) will be quickly disciplined, and may be permanently dropped from training with subsequent assignment as a non-graduate. You will receive a briefing from your NCOIC on your conduct while assigned to the Jumpmaster Course. Any violation of the items in the briefing may result in being dropped from the course. 2. Students must meet the following requirements on all exams in order to graduate from the US Army Jumpmaster Course: a. Nomenclature Exam. Student will be presented with 25 items of equipment chosen on a random basis. Student must score a minimum of 70% to receive a "GO". b. Actions During Decent Exam (pre-jump). Student will be given 30 minutes in which to recite Actions During Decent in its entirety. Student must score a minimum of 70% to receive a "GO". c. Written Exam. Student will be given one hour to answer 100 questions, to include True/False, Multiple Choice, and Fill-in the Blank. Student must score a minimum of 70% to receive a "GO". In addition to the tested material, students may lose 16 points on the exam for not following the instructions given during the test brief. d. JMPI Exam. Student will have five minutes in which to JMPI three jumpers, one wearing combat equipment, two hollywood jumpers. Using proper sequence, and proper nomenclature while identifying all deficiencies. Student must score a minimum of 70% to receive a "GO". e. Practical Work inside the Aircraft (PWAC) Exam. Students will be graded on hand and arm signals, and door check procedures, in an Air Force fixed wing aircraft while in flight. Student must score a minimum of 70% to receive a "GO". In addition to the tested material, students may lose points on the exam for improper rigging of equipment, or failure to follow instructions. 3. Students will be given one retest for each exam (Nomenclature, Actions During Decent, Written, or PWAC) where they fail to meet the 70% standard. Students must score a minimum of 70% on any retest in order to receive a "GO." Passing scores on a retest will count towards the student's grade point average as 70%, regardless of the number of correct or incorrect answers on the exam. Students that fail to achieve the 70% standard on a retest will be dropped from the course. 4. Students who maintain an 80% or higher grade on the Nomenclature, Actions During Decent, PWAC and Written exams will be considered "Re-Entry Qualified." Re-Entry Qualified students will receive two additional attempts to pass the JMPI test. Students that fail to maintain re-entry status will still receive three attempts on the JMPI test. 5. The use of administrative points will assist the cadre in enforcing standards throughout the course. Students will begin the course with 100 administrative points and my loose re-entry status if accrued administrative points drop below 80%. This manual covers information essential for anyone using pesticides on California farms, including growers, managers and employees in an easy-to-use format; now with color photographs and illustrations. Read this book carefully to prepare for the Private Aapplicator Certification test. DPR uses this test to certify farm owners, leaseholders, and managers who may have to purchase restricted materials, as well as farm employees who supervise pesticide handlers or will be training handlers and fieldworkers to work safely around pesticides. A list of knowledge expectations (descriptions of what you should know after reading the chapter) are given at the beginning of each chapter to guide you as you study. Individual knowledge expectations appear alongside relevant content throughout each chapter, which will help you focus on the information that is most likely to appear on the examination. Covers pesticide labels, worker safety (handlers and fieldworkers), how to mix and apply pesticides, calibration, the hazards of pesticide use including heat related illness, and pesticide emergencies. Presents an overview of integrated management principles An appendix includes sample training forms for pesticide handlers and fieldworkers. It's a fun, visual review for the NCLEX! In this six-session video Bible study (DVD/digital downloads sold separately), bestselling author Dr. David Jeremiah reminds us that the Christian life is to be lived looking forward and with our eyes fixed on the race in front of us—not looking back over at our shoulder at the other runners or the past. In the Bible, the apostle said as much when he wrote, "Not that I have already attained, or am already perfected; but I press on, that I may lay hold of that for which Christ Jesus has also laid hold of me. Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead, I press toward the goal for the prize of the upward call of God in Christ Jesus" (Philippians 3:12-14 (NKJV)). Dr. Jeremiah draws on this key verse to show that while it is good at times to look back, we need to make sure that we don't go back and allow the past to dictate our future. We need to celebrate our good memories but also celebrate our bad memories with finality—thanking God for the lessons that He has taught us through the experience and committing to use those lesson to make positive changes in our lives. We then need to allow our past memories to cultivate our dreams—boldly stepping into the mission God has for us and allowing Him to continually transform us to be more like Christ. Now is the time to step past our comfort and our failure. Now is the time to move forward in following God. Designed for use with the Forward Video Study available on DVD or streaming video, sold separately. Over 400 entries to audiovisual materials received by FNIC before 1977.
