A Guide to Local Environmental Auditing Nov 24 2020 Sustainable development is still seen by authorities as an abstract concept. Local Environmental Auditing will help put it into practice. The book provides a comprehensive guide to monitoring the state of the local environment and establishing the impacts of local actions on global issues, and shows how current local authority policy and practice can be adapted to recognize environmental priorities. The authors provide both a guide to and an assessment of the subject: they link the processes with the issues, with specific information on carrying out the audit (including checklists, case studies and standards) and a detailed discussion of the issues and choices which local authorities may face. Clearly structured and accessible, this will be an essential handbook, both for local government departments and other local organizations, and students in a wide range of subjects, including environmental science and health, town planning, urban and rural studies, social science and politics.

Henry Fielding, Political Writer Mar 17 2020 An accurate and comprehensive study of the political aspects of Fielding's art has been sorely needed. As a result of decades of work by literary scholars and a series of great historians, such a study is finally possible. This volume addresses that need, and, in the light of a recent revival of interest in Fielding's work, it arrives most opportunely. The author offers here a wide-ranging focus and a firm grip on the shifting complexities of Fielding's political situations—the loyalties and enmities, factional alignments and fractious rhetoric—that allow a satisfactory understanding of Fielding's political writing. Political writing in Fielding's day, as in ours, was topical, concerned with evanescent problems and day-to-day needs that were familiar to contemporaries, but that are now recaptured only with greatest difficulty. This study constitutes a thorough reconstruction of Fielding's political context and extricates from the context Fielding's own political endeavours. Cleary's work will make many of Fielding's previously unstudied work accessible to students and scholars of eighteenth-century English literature. A necessary point of reference to both literary specialists and historians concerned with eighteenth-century England.

Ik hou van Londen Jun 19 2020 Na een roerige start in het sprankelende New York, heeft Angela Clark haar zaakjes eindelijk goed voor elkaar. Ze heeft vergevorderde plannen voor een eigen tijdschrift, ze is ten huwelijk gevraagd door haar Amerikaanse vriendje Alex, en sinds ze de jackpot won in Las Vegas heeft ze een beduidend warmere band met haar creditcardmaatschappij. Het enige probleem dat Angela nog hoeft op te lossen voor ze al haar dromen kan waarmaken, is haar verlopen verblijfsvergunning. Om een nieuw visum te kunnen aanvragen moet ze terug naar Londen. Dat betekent niet alleen een weerzien met Louisa, haar hoogzwangere beste vriendin, maar ook dat ze haar afschuwelijke ex Mark onder ogen moet komen. En misschien nog wel erger: haar moeder... Kan Angela zich nog redden in haar oude leventje?

Trage paarden Nov 17 2022 River Cartwright wordt gedumpte in Slough House, het afvoerputje van de Britse inlichtingendienst. Agenten die een missie hebben verknald, zoals hij, moeten hier onder leiding van de kleurrijke Jackson Lamb hun dagen slijten als pennenlikkers. 'Trage paarden', zo worden ze genoemd. Op een dag als River naar zijn werk gaat, wordt een jongeman gekidnapt. De gijzelnemers kondigen aan dat ze hem tijdens een livestream zullen onthoofden. Hiervan hebben River en de andere ballingen in Slough House gedroomd: eindelijk een nieuwe kans om zich te bewijzen. Maar hoe dieper ze in deze zaak duiken, des te verwarrender die wordt. Is het slachtoffer wel wie hij lijkt? En wat hebben de kidnappers te maken met een uitgerangeerde journalist? Mick Herron voert in deze sensationele thriller bonte personages op, die stuk voor stuk een verborgen agenda hebben. Trage paarden is vanwege alle verrassende verwickelingen, verbanden met de actualiteit en spotternij een ijzersterk begin van een ijzersterke serie. Mick Herron werd geboren in Newcastle en studeerde in Oxford, waar hij nu nog steeds woont. 'Een van de twintig beste spionageromans aller tijden.'
