[Art and Madness](#) Nov 22 2022 Luminous and intensely personal, *Art and Madness* recounts the lost years of Anne Roiphe's twenties, when the soon-to-be-critically-acclaimed author put her dreams of becoming a writer on hold to devote herself to the magnetic but coercive male artists of the period. Coming of age in the 1950s, Roiphe, the granddaughter of Jewish immigrants, grew up on Park Avenue and had an adolescence defined by privilege, petticoats, and social rules. At Smith College her classmates wore fraternity pins on their cashmere sweaters and knit argyle socks for their boyfriends during lectures. Young women were expected to give up personal freedom for devotion to home and children. Instead, Roiphe chose Beckett, Proust, Sartre, and Mann as her heroes and sought out

the chaos of New York's White Horse Tavern and West End Bar. She was unmoored and uncertain, "waiting for a wisp of truth, a feather's brush of beauty, a moment of insight." Salvation came in the form of a brilliant playwright whom she married and worked to support, even after he left her alone on their honeymoon and later pawned her family silver, china, and pearls. Her near-religious belief in the power of art induced her to overlook his infidelity and alcoholism, and to dutifully type his manuscripts in place of writing her own. During an era that idolized its male writers, she became, sometimes with her young child in tow, one of the girls draped across the sofa at parties with George Plimpton, Terry Southern, Doc Humes, Norman Mailer, Peter Matthiessen, and William Styron. In the Hamptons she socialized with Larry Rivers, Jack Gelber and other painters and sculptors.

"Moderation for most of us is a most unnatural condition . . . I preferred to burn out like a brilliant firecracker." But while she was playing the muse reality beckoned, forcing her to confront the notion that any sacrifice was worth making for art. *Art and Madness* recounts the fascinating evolution of a time when art and alcohol and rebellion caused collateral damage and sometimes produced extraordinary work. In clear-sighted, perceptive, and unabashed prose, Roiphe shares with astonishing honesty the tumultuous adventure of self-discovery that finally led to her redemption.

[Kim Jong-un's Strategy for Survival](#) Mar 02 2021 In *Kim Jong-un's Strategy for Survival*, David W. Shin contends that Kim Jong-un's consolidation of power at home and the leveraging of Beijing, Moscow, Seoul, and Washington, and others abroad show that he is not a madman and, like the two earlier Kims, has consistently been underestimated. Shin presents an alternative framework for Kim Jong-un's behavior through his analysis of Kim's background and his development as the successor to his father, Kim Jong-il; the evolution of the totalitarian system

Kim inherited from his grandfather, Kim Il-sung; and the security environment after Kim Jong-il's death in 2011. This book is recommended for scholars and students of political science, Asian studies, international relations, and history.

Conscience in Action Feb 25 2023 This book is an English translation of the authoritative autobiography by the late South Korean President Kim Dae-jung. The 2000 Nobel Peace Prize winner, often called the Asian Nelson Mandela, is best known for his tolerant and innovative "Sunshine Policy" towards North Korea. Written in the five years between the end of his presidency and his death in 2009, this book offers a poignant first-hand account of Korea's turbulent modern history. It spans the pivotal time span between the Japanese colonial period (1910-1945) and reconciliation in the Korean Peninsula (2000-2009). In between are insightful insider descriptions of everything from wars and dictatorships to the hopeful period of economic recovery, blooming democracy, peace, and reconciliation. *Conscience in Action* serves as an intimate record of the Korean people's persistent and heroic struggle for democracy and peace. It is also an inspiring story of an extraordinary individual whose formidable perseverance and selfless dedication to the values he believed in led him to triumph despite more than four decades of extreme persecution.

[Perfect Madness](#) Oct 21 2022 Manic cake-baking at midnight. After-school activities and young social lives that require dedicated and complex organisation. Mother-of-the-birthday-boy meltdowns. No Sex. No Nights out. No Sleep. Ever. What's wrong with this picture? That's the

question Judith Warner asked herself after taking a good, hard look at the world of modern motherhood, at anxious women at work and in bed with unhappy husbands. By moving personally between the worlds of stay-at-home and working motherhood, interviewing numerous women and reading and seeing what our popular culture and politicians had to offer on the subject of motherhood in our time, Warner comes to a stark conclusion: that what is now happening in the culture of motherhood is nothing less than perfect madness. Written in a lively, accessible and often amusing tone, this is a book that all mothers will be able to relate to.

Concepts of Capital Sep 20 2022 Borrowing terminology from the economic discipline—specifically the concept of "capital"—has led to an abundance of new terms in the social sciences: human capital, social capital, and cultural capital, to name the most prominent representatives on an ever-growing list. In this interdisciplinary transaction, the concept is borrowed and the original meaning extended until the new concepts often have nothing left in common with their initial referents. Here Jacek Tittenbrun offers a critical analysis of human, social, and cultural capital on the basis of their uses and misuses across a wide range of social sciences, simultaneously revealing the source of conceptual diffusion in the real world. He presents a two-pronged analysis of an intellectual fashion popular in the social sciences and offers a critical analysis of a range of concepts constructed around the common core of "capital." The analysis is innovative, as it is underpinned by a theoretical framework rooted in economic sociology and the concept of ownership in particular. The approach is one of the sociology of knowledge coupled with a substantive critique-application of the given concepts. The volume reveals a range of processes in the real world that account for the conceptual diffusion. The general reader will be drawn to the discussion in the second half of the book, a study of a variety of relatable real life situations that illuminate privatization and commodification in our lives.

The Do-Nothing Boys Mar 14 2022 About the Book *The Do-Nothing Boys* is a raucous tale of teenage rebellion recounting the exploits of a teenager named Ziggy, recently returned to Canada after a three year hiatus in his native country of Italy, and the group of friends that spontaneously gather around him. A result of parental divorce, he turns to sex, drugs and rock and roll and in the process discovers deep friendship, love, loss, disintegration, and the beautiful, sad and wondrous experience of living. Written in an incendiary and gritty stream of consciousness, the words cascade down the page in a free-flow waterfall of ideas and happenings, hallucinatory at moments with surreal jaunts of what Nesca himself calls "word music", but never straying far from the downright gritty and street-tough prose, laced throughout with a constant sexual/erotic underpinning. About the Author Tony Nesca was born in Torino, Italy in 1965 and moved to Canada at the age of three. He was raised in Winnipeg but relocated back to Italy several times until finally settling in Winnipeg in 1980. He taught himself how to play guitar and formed an original rock band playing the local bars for several years. At the age of twenty-seven he traded his guitar for a Commodore 64 and started writing seriously. He has published six chapbooks of stories and poems (which he used to sell straight out of his knapsack at local dives and bookstores), six novels, four books of poetry, one short story collection, and has been an active contributor to the underground lit scene for fifteen years, being published in innumerable magazines both online and in print. He currently resides in Winnipeg.

Maternity, Mortality, and the Literature of Madness Nov 17 2019 This book explores the interrelationship between the option and experience of motherhood and the experience of mental breakdown as vividly communicated by 20th-century women writers. The focus is on three writers--Sylvia Plath, Marie Cardinal, and Margaret Atwood--but others are included, such as Maxine Hong Kingston, Anne Sexton, Virginia Woolf, and Emma Santos. *Maternity, Mortality, and the Literature of Madness* calls attention to the ways in which maternity and motherhood represent common forms of apprehension for all women, reactivating the fear of death that has been discovered and repressed in childhood, and, in some instances, contributing directly to mental breakdown. It offers evidence of the particular stresses encountered by highly gifted women who try to negotiate their way between creation and procreation and "write their way out" of madness.

Madness in Twentieth-century French Women's Writing Nov 29 2020 This book offers a discussion of the trope of madness in twentieth-century French women's writing, focusing on close readings of the following texts: Violette Leduc's *L'Asphyxie* (1946), Marguerite Duras's *Le Ravissement de Lol V. Stein* (1964), Simone de Beauvoir's *La Femme rompue* (1967), Marie Cardinal's *Les Mots pour le dire* (1975), Jeanne Hyvrard's *Les Prunes de Cythère* (1975) and *Mère la mort* (1976). The discussion traces the evolution in the way madness is taken up by women authors from the key period starting just prior to the emergence of second-wave feminism and culminating at the height of the *écriture féminine* project. This study argues that madness offers itself up to these authors as a powerful means to convey a certain ambivalence towards changing contemporary ideas on the authority of authorship. On the one hand a highly enabling means to figure transgression, the madwoman is equally the repository for a twentieth-century 'anxiety of authorship' on the part of the woman writer.

Out the Summerhill Road Jun 05 2021 From Jane Roberts Wood comes a quietly riveting novel revealing the banal faces of evil in a small East Texas town. In 1946 a young couple is brutally murdered in Cold Springs. And, now, thirty-four years later, the rumor is that Jackson Morris, who had been the only person of interest in the murders, has come home. Or has he? When the four women of the Tuesday bridge club hear this rumor, their responses range from a reckless excitement to a shaky uneasiness. There's Isabel, compelling and passionate, who foolishly and inexplicably longs to see Jackson, her first love, again while the seemingly innocent Mary Martha prays that the sheriff will put Jackson's head in a noose. Although the eternally optimistic Sarah looks to the law to determine Jackson's fate, the fourth woman, an Irish immigrant and a misfit in Cold Springs, is guided by the spirit world, including a cat, in deciding his guilt or innocence. When a second murder occurs after Jackson's return, Cold Springs reacts with fear and paranoia while the women struggle to protect their friend's reputation and desperately try to find a murderer. Number 5 in the Evelyn Oppenheimer Series Praise for Jane Roberts Wood's Fiction: "A genuine Texas treasure."--The Dallas Morning News "Wood handles whatever she touches with

delicate precision, and leaves an impression, not of bitterness of life, but of the tenderness of the human soul."--The New Mexican Praise for the Lucy Richards Trilogy: "It's a winner!--A real down-to-earth story that keeps you spellbound from page to page."--Liz Carpenter, former White House press secretary "A truly fine tale of the indomitable human spirit, told in the honest voice of a strong young schoolmarm in early day West Texas."--Larry L. King, author of *The Best Little Whorehouse in Texas* "Wood's lively, eccentric characters leap off the page and will live in the reader's heart long after the book is closed."--Jean Stapleton, actress "Wood has a rare gift for transcending the ordinary and this heartwarming continuation of her earlier novels is no exception. Wood's narration is seamless and she is especially masterful in creating meaningful characters."--Publishers Weekly

[The Kings of Dance](#) Nov 10 2021 The Kings of Dance novel is an education of dance, and how music evolved along with it. "As far back as I can remember which would be 1972; Rock the dance was born right before my eyes." The first-time author, Luis De Jesus, exclaims an education on how "Rock" was born and how from the Bronx dance roots the next level of dancing evolved. The purest form of dance; Rock! THE BASICS, THE FUNDAMENTALS! A lot of people do not have knowledge and are blind to the real facts, let this be your schooling. This story is a time portal that takes you back to the different glamorous Disco's, music, and styles of clothes. This book is so that the truth can be exposed. Luis was there; he is the proof in the pudding. All of the people mentioned in this book deserve their title. This is based on a true story! It took

place in the Bronx.

Taking Time Out Aug 27 2020 This is not a comfortable book; there are poems in it such as "Brain Disease," which take the serial killer Jeffrey Dahmer as subject matter. And yet in other poems madness is not without its own point of view, and its own touch of humor. Other poems attempt to resolve any tendencies toward violence and self-destruction that the author himself might have experienced. And in so doing, to help explain some of the personal, political, and spiritual aberrations of the psyche, that might be so prevalent in our society today.

Sixties Sandstorm Jul 18 2022 In 1961, Senator Philip Hart of Michigan introduced legislation to add Michigan's Sleeping Bear Dunes and 77,000 surrounding acres to America's National Park system. The 1,600 people who lived in the proposed park area feared not only that the

federal government would confiscate their homes, but that a wave of tourists would ensue and destroy their beloved and fragile lands. In response, they organized citizen action groups and fought a nine-year battle against the legislation. *Sixties Sandstorm* is not a book about dunes as much as it is a book about people and their government. It chronicles the public meetings, bills, protests, and congressional interactions that led to the signing of the Sleeping Bear Sand Dunes Act in 1970. The Dunes park fight is a case study of the politics, the legislative process, citizen response to the expanded role of government in the 1960s, and the rise of the environmental movement in America during that decade. Since Hart's legislation was made law, millions of Americans have traveled to the Sleeping Bear Sand Dunes National Lakeshore. Few imagine what the area would look like today if not for the efforts of people like Senator Hart. On the other hand, few appreciate the sacrifice of the landowners who not always willingly-gave up their property in this place where, as one resident put it, "stars are closer to the earth than anywhere else in the world."

Dublin Urban Legends Jul 26 2020 Is there a secret tunnel in O'Connell Street? Who stole the Irish crown jewels? And did the word 'quiz' originate in Dublin as the result of a bet? Urban legends are the funny and frightening folklore people share today. Just like the early folk tales that came before them, these stories are formed from reactions to events in the modern world, and are often a window into our current values. For the first time, Brendan Nolan explores the power of Dublin's urban legends - murky stories whispered in classrooms and backstreets, and ripping yarns passed on across the bar. Urban legends may sometimes just be the best of rumours, but the real question is about the truth that lies behind them?

Nathaniel Hawthorne Apr 15 2022 In 1853, when he was forty-nine and at the height of his literary career, Nathaniel Hawthorne accepted the post of U.S. consul at Liverpool, England, as a reward for writing the campaign biography of his college friend President Franklin Pierce. Hawthorne's departure for Europe marked a turning point in his life. While *Our Old Home*, shrewd essays on his observations in England,

The Marble Faun, a romance set in Italy, and the *English Notebooks* and *French and Italian Notebooks* were all results of his European residence, he returned to Concord in 1860 frustrated, depressed, and sick. He died in 1864. *A Treatise on the Criminal Law of the United States: Principles, pleading, and evidence* Dec 19 2019

A Treatise on Criminal Law Feb 19 2020

What's So Funny? Jun 17 2022 In what may be the "best Dortmund yarn yet," Westlake's seasoned but often scoreless crook must take on an impossible crime, one he doesn't want and doesn't believe in -- but a little blackmail goes a long way (Associated Press). All it takes is a few underhanded moves by a tough ex-cop named Eppick to pull Dortmund into a game he never wanted to play. With no choice, he musters his always-game gang and they set out on a perilous treasure hunt for a long-lost gold and jewel-studded chess set once intended as a birthday gift for the last Romanov czar, which unfortunately reached Russia after that party was over. From the moment Dortmund reaches for his first pawn, he faces insurmountable odds. The purloined past of this precious set is destined to confound any strategy he finds on the board. Success is not inevitable with John Dortmund leading the attack, but he's nothing if not persistent, and some gambit or other might just stumble into a winning move.

Ballad of a Ghetto Poet Oct 17 2019 What do you do when you are young and gifted and the world has turned its back at you? That is the

wrenching question at the heart of this extraordinary novel about a seventeen-year-old street kid whose only escape is through crime -- and the redemptive power of his poetry. *Ballad of a Ghetto Poet* tells the savage and lyrical story of a teenager caught in the brutal cross-fire of poverty and violence that could send him on the collision course to the cellblock -- or the grave. Chicko Grayson is a teenager growing up on the tough streets of Richmond, Virginia, where poverty is a life sentence, and the only way out is behind the barrel of a gun. Raised on the harsh, brutal language of the streets, Chicko

hears the music of God in the poetry he writes. But God is noticeably absent when he falls in with a sly and dangerous criminal who draws Chicko and his best friends Malcolm and Junnie into the city's violent underworld of crime. Filled with the rage and pathos of the streets, eloquent in its anguished portrait of life in the forgotten corners of the South, *Ballad of a Ghetto Poet* delivers a modern-day interpretation of *West Side Story*. This is a tragic and heroic tale of desperate hope and lost chances, and of what happens when redemption comes too late.
