Divorce: Through the Eyes of God's Love was written to help people who have been divorced and hurt not only from their painful broken marriages, but also hurt from church folk. I've seen and experienced the pain from a people who are supposed to comfort you, encourage you, motivate you, and embrace you but instead look down their holier-than-thou noses at you, attempting to make you feel worse than you already do, simply because you're divorced. God inspired me to write this book to let the divorced people in this world know that He loves you so much and He will never stop loving you and He will never leave you nor forsake you, even if you're divorced. Divorce is a reality of today's family life, but clinical research has shown that it is possible to mitigate its negative effects on children. Dr. Joseph Nowinski, a family therapist with over 20 years of experience treating families, argues that there is a three-year window in which to acclimate children to the change in family life. Combining case studies with new research, Dr. Nowinski gives parents the information and the tools to work through the transition. Written in a warm and authoritative tone, Nowinski will teach parents to:

- Focus on your child's new day-to-day reality
- Identify early signs of trouble
- Help your child through the separation process and help them develop coping skills that will remain with them through life

Unfortunately, a divorce is akin to a war; one does not go to battle without being sufficiently prepared and without considering every strategy prior to engagement. In *Winning Divorce Strategies*, author and attorney Brian D. Perskin details the tactics his firm has learned and the mistakes he's seen in divorce cases with the goal of maximizing your happiness and ensuring you achieve the best possible outcome. From filing for divorce through the trial, *Winning Divorce Strategies* provides guidance to help you avoid the pitfalls of divorce and to help you prepare a game plan to take control of your divorce. It provides information on choosing a lawyer; deciding to litigate or negotiate; recognizing the opposition; filing and serving papers; being prepared; making financial decisions; winning custody strategies; and negotiating a win-win settlement. Through experience gained from real-life situations, Perskin shares the divorce secrets he has discovered and details the tactics that have been designed to ensure you are in the best possible position throughout the case. *Dissolution to Evolution* is a book and a workbook, that describes and details the Consilium Process, developed to help people considering divorce to simultaneously create a parallel path of personal growth. The book highlights

common scenarios, presents thoughtful options and constructs optimal outcomes. The workbook helps people structure and pre-think their process so that logic can prevail during a time fraught with high emotion. "Chained No More is a program that will minister healing and hope to anyone who has been touched by the pain of divorce. Robyn Besemann has developed biblically based materials that provide a framework for personal growth, a tool for helping others, and a step-by-step grid that produces transformational results. Every church needs this program and I highly recommend this ministry." - Carol Kent, Speaker and Author "For years we have touted that children are resilient. Now we are finding that adult children of divorce were not so resilient after all. Many struggle with heavy issues that have been carried over into their adult lives. From exploring the chain of grief that has held adult children of divorce bound to their childhoods to healing through Jesus Christ, Robyn has done a phenomenal job of helping adult children of divorce release the links in their chain that have held them captive for years." - Linda Ranson Jacobs, Creator and Developer of DivorceCare for Kids "Chained No More will help you break free and find healing for the hurt you've experienced. If you are the adult child of divorced parents, dive into this material, and with God's help, find hope for the future while building a foundation for successful relationships in your life." - Steve Grissom, Founder of DivorceCare/Church Initiative Updated second edition of your complete reference for how to handle some of the most difficult issues faced by divorcing parents in such a way that your child will not only survive, but thrive. Written in an easy to read style by a family therapist who was, herself, divorced it is filled with real-life examples that help to illustrate both the problems parents are likely to face at this challenging time and easy-to-implement solutions. Review of 1st Edition: Child-Friendly Divorce is packed with advice, resources and real world examples...A must-read for every divorcing parent. Child-Friendly Divorce is the new bible for divorcing parents with children. Implement what Diane Berry recommends! Diane Berry has written an incredible title on how parents can help their children through divorce...A highly recommended book! USA Book News Review of 1st Edition: A roadmap for ending a marriage while inflicting the fewest emotional scars on your children. Don't get divorced without it! Jim Barnes, Editor, Independent Publisher Online Life After the Big D Divorce and Its Sh*tty Emotional Process By Eleanor Green Discover how to turn your divorce to your advantage and emerge a stronger, happier and

more confident person. Approximately half of all marriages end in divorce, so no matter how alone you're feeling right now, you can be sure that you're not the only one. Divorce no longer carries the same stigma it used to -- and that's great news... because all those marriages that end in divorce? They should. When a marriage is no longer working -- whether that's because the relationship has turned toxic or abusive, or simply because two people no longer share the same life goals -- the best thing for everyone is if that marriage ends. The idea of staying together for the children or sticking with it simply because you always thought you would isn't good for anyone: not for you, not for your partner, not for your children. Put simply, divorce is sometimes the healthiest option for everyone, and it marks the beginning of a fresh start and a happy, healthy future. Of course, if you're going through a divorce, you're probably not feeling that right now. That's totally understandable: divorce can be hard. It can be messy. And it can be impossible to see the light at the end of the tunnel. But there is a future out there for you -- and it's brighter than the one you were facing before you made the decision to separate from your partner. What you're going through right now is a far cry from what you dreamed of when you said 'I do' all those years ago, and it's bound to hurt. But you can turn divorce to your advantage and find some surprising benefits along the way. In *Life After the Big D*, you'll be gently guided through the process of divorce by someone who's been there before. You'll discover: The #1 thing anyone going through a divorce must do before they can move on Exactly what a 'grudge inventory' is -- and why you should keep one The key psychological effects of divorce to be aware of (including the good ones!) 6 effective ways to build a solid support network Everything you need to know about divorce counseling -- and why it matters Clear, easy-to-follow strategies for getting over your ex The secret to finding your self-esteem again, no matter what you've been through How to rediscover, reclaim and reignite your sexuality The ins and outs of dating post-divorce -- how to make it healthy and joyous Top dating tips for busy single moms The glorious world of online dating, demystified A roadmap for turning your divorce to your advantage Practical exercises to make every step of your divorce journey easier And much more. If you've been looking at divorce as an ending, it's time to change the narrative. It's true that you've reached the end of a chapter, but this isn't the end of your story: something wonderful is about to begin. With the right tools at your disposal, you're going to emerge from this process stronger,

happier, and with a bright future ahead of you: divorce is going to bring you many unexpected benefits. Discover how to turn your divorce into the best thing that's ever happened to you: scroll up and click "Add to Cart" right now. Divorce has devastating effects on children. Yet for divorcing parents who carefully consider and manage the intricacies associated with this difficult time, both parents, as seen from the child's perspective, can remain as loving and supportive as they ever were. Parenting Through Divorce concisely lays out the specific emotions and reactions parents need to anticipate from their children while going through separation, divorce, and its aftermath. Rather than weighing parents down with complicated plans, confusing information, and legal terminology, this book takes a commonsense approach, providing readers in a state of emotional distress with the practical, down-to-earth advice they need to sensibly and comfortingly guide their children through this often-painful process. Covering the most common mistakes divorcing parents tend to make, as well as addressing special issues that come up for kids of different age groups, this book helps you retain a strong, healthy, and loving environment for your child, even in the midst of change. This is a much-needed repository of wisdom and practical counsel for any family going through a time of heightened feelings and fragile relationships. Describes symptoms of emotional problems divorce may cause in children and explains how divorced parents can help their children adjust. Whether you're just thinking about getting divorced, somewhere right in the thick of it, or working through post-divorce issues, this simple guide—full of great tips, lists and how-to's—will help you emotionally and practically. 37 Things I Wish I'd Known Before My Divorce is the result of countless hours of training, personal and professional experience, research, and collaboration. Carry it with you while you navigate this sometimes painful and exasperating, sometimes hopeful and energizing, life transition. Whether you're just thinking about getting divorced, somewhere right in the thick of it, or working through post-divorce issues, this simple guide--full of great tips, lists and how-to's--will help you emotionally and practically. 37 Things I Wish I'd Known Before My Divorce is the result of countless hours of training, personal and professional experience, research, and collaboration. Carry it with you while you navigate this sometimes painful and exasperating, sometimes hopeful and energizing, life transition.--Back cover. Wherever You are in the Process If you are concerned about a divorce. If you are in the beginning stages of a divorce. If you are in

the detailed process of a divorce. We know what you're going thru, and what's up ahead. Become well-informed. This is the Smart Gal's Guide thru Divorce. We call it "Insider-Thinking". Over 16 chapters of Smarts. A wealth of information. The Guide-Book. With the potential to save you thousands. With a heart to encourage, in 2012 Sara was inspired to launch Divorce Buddys. Guiding clients through the complexities of divorce. Sara delivers key-information, guiding women how-to think through the journey of divorce. Continuing to expand, Sara re-branded her services under her corporate banner, Sara A., LLC. A Mediator and Guide, serving clients in Texas. Sometimes the strength to fight the past lies in the love and friendship of the present. Mark Carter has taken care of himself and those around him since he was a teenager. But with his younger brother and sister now packed off to college, he finds himself suddenly alone. Throwing everything he has into his new position at Sandpipers Restaurant leaves little time for anything else. And that's just fine by Mark. Then Raven stumbles into his life and everything changes. Mark can't help wanting to know more about the mysterious man—which is easier said than done. Raven is painfully shy, a single parent and stutters, especially when he's nervous. But Mark is determined to get to know the warm, intelligent man he glimpses beneath the quiet exterior. The question is, will Raven let him? Raven finally has a chance to start again. He's determined to put the past behind him and do whatever it takes to create a normal life for his young son, Ryan. Unfortunately, it's not as easy as it sounds. He doesn't have much acquaintance with 'normal', and the past has a way on intruding on the present no matter how hard he tries to escape it. Can he trust Mark with his secrets? And more importantly...should he? Divorce. That's a really big topic for a little person, especially one you love more than anything. Bear is here to help! Bear's parents are going through a divorce too, so it's the perfect time for Bear and your little one to become friends. The newly released "Bear's Changing Family" fills a gap for books about divorce for very young children (ages 3-7). It was inspired by love, and it was informed by the work of experts, psychologists and researchers. It has 3 goals: to educate, comfort and empower your child. And it does so with such heart. "Bear's Changing Family" was written by the author for her 3 1/2-year-old son when she realized that the divorce books she had to choose from were either beyond his cognitive level, or they didn't match his emotional level. It tells the story of Bear, whose family is going through a divorce. They live in a den in

the forest with all of his forest friends, and he soon learns that his family is going to change. As he comes to understand what that means and begins to adjust to life in two dens, he tells your child, "Your family is changing just like mine. It will take time to get used to, but change can be good. As my friend Owl reminded me, our friend Caterpillar changed into a butterfly! Owls are so wise." It evokes the feeling in your little one that, "Bear is ok. I'll be ok too." In a time of so much change, it helps you reassure your child that he or she will always be loved, protected and cared for. That's why love is a constant throughout. Not only is Bear adorable, he is lovable and relatable. He makes divorce more bearable! We hope it helps your family as much as it did ours. Intended to inform and inspire, The D-Word is an honest, firsthand look at divorce and its ramifications. Parents, grandparents, friends, attorneys and counselors are invited to glimpse 12-year-old Gina's experience and learn how their actions shape reality for children of divorce. Through real-life examples, The D-Word addresses issues such as conflict, communication, alienation, attitudes and, ultimately, moving on. When Gina's parents decide to separate, she finds herself propelled toward adulthood on the emotional roller coaster ride of her life. Gone are the days of an existence filled with typical adolescent turmoil. Instead of exploring her social circles, Gina listens intently to decode her parents' telephone discussions. She takes on a new level of maturity as caretaker of her younger brother and confidant to her distressed mother while she grapples with her role in a changed family. As a year unfolds, Gina struggles to find understanding, adjustment and peace of mind. This book will help you learn how to **GET THE BEST POSSIBLE OUTCOME IN YOUR DIVORCE!** This book helps you navigate through the following issues: You want a divorce but don't know where to start. You and your spouse have agreed to separate, but cannot reach an agreement on how to divide your property and assets. Your spouse has abandoned you and/or your children. Your spouse has been physically abusive to you, and you have decided to get out of your marriage. Your spouse has cheated on you. What if we have kids? If you're separated and thinking about divorce, you may have already realized the following: **EVERYONE** (and I mean, everyone) has an opinion about your decision to leave your marriage. Some friends want to throw you a party, while others may be staunchly opposed. Personally, I am not a fan of divorce - I think broken families are not God's design. On the other hand, I've been there, and have personal experience with divorce. Your

emotions may be more complicated than you expected. You may be feeling relieved that you have made a decision to move on with your life, but no matter how strong you are, remember it's ok to mourn the loss of what you expected for your marriage. Hold on tight, let the emotions run their course, hold dear to family and friends that care for you, and just keep stepping forward. There is no "one-size-fits-all" solution. What may have worked in one person's divorce case may not work for you. There are several factors involved in the outcome of your potential divorce, including the length of the marriage, whether children are involved, and sometimes even the circumstances leading to the divorce. Every case is different, and the details of YOUR particular case matter. That's why I want you to take a look at this book. I'm hoping it can help you navigate through this sometimes confusing process. This resource covers subjects such as: How to Get a Divorce in the State of Virginia Common Divorce Myths Your Property Rights Created By Marriage and Divorce Benefits of Using A Property Settlement Agreement Advantages of Hiring a Family Law Attorney Kids and Divorce This Book is designed for you if you are thinking about divorce in Virginia. I hope this goes without saying, but just in case, here goes: Your decision to purchase this resource does NOT create an attorney-client relationship between us. This book does not contain legal advice, and EVERY case really is different. "I will never forget when my mom came into my room and told me that dad was moving out. I knew they had not been getting along but I never thought he would actually leave. What do I say to my friends?" "Every day I come home from school and get reminded that my parents are split up I become sick to my stomach. Sometimes I purposely plan things after school just so I don't have to come home and be reminded of it." Do you know teens with these questions? Are you left wondering how you can help them? Divorce changes families but it does not have to destroy them. The Big D offers hope and help to teens and their families. Their parents divorce does not have to define their future. Teens can learn how to process their feelings and hurts and find themselves emotionally healthier. The Big D is designed to lead teens through the journey of recovery and find hope in the midst of this tragedy. It is filled with many practical high energy activities and hands on tools to help teens process their feelings. The curriculum includes a Biblically based Leaders Guide and an interactive Student Workbook for each attendee. There is also an Activity Guide filled with additional topic related activities to keep your teens

engaged. Whether they are currently in the chaos of their situation or it has been years and are living in a blended family, this program is guaranteed to change their lives. We need to reach teens now before they carry these hurts and confusion into their future relationships. It is time to STOP the cycle NOW. We pray you join us in this journey. Family Transformation Through Divorce and Remarriage is the first book to look thoroughly at the complete divorce-remarriage-stepfamily cycle in the context of demographic data, the legal process and the theoretical framework. For each phase of the cycle, the author describes the stages of development, summarises the relevant research and illustrates the effects on family members with case examples. I will never forget when my mom came into my room and told me that dad was moving out. I knew they had not been getting along but I never thought he would actually leave. This Activity Guide can be used alongside the Leaders Guide or as a additional tool when working with teens of divorce. The groundbreaking alternative for the millions of couples with children who face divorce each year—couples who want to avoid litigation, but don't want to give up on getting what they want. Even under the best circumstances, divorce can be marked by a range of painful emotions. But research now reveals that how a couple conducts themselves during a divorce has far greater impact on their children than the act of divorcing itself. Groundbreaking and revolutionary, The Collaborative Way to Divorce is the first guide to the Collaborative process, a nationally acclaimed approach based on the concept that both spouses hire legal representation, yet agree to resolve their differences with no intention of ever going to court. Stressing cooperation over confrontation and resolution over revenge, Collaborative divorce is fast transforming how couples dissolve their marriages, divide their assets, and reinvent their post-divorce relationships, particularly when they have children. Written by Stu Webb, the founder of the Collaborative law movement and Ron Ousky, an early pioneer of the process, The Collaborative Way to Divorce guides you through the steps of the Collaborative process so that you can make better, more informed, and more strategic decisions—resulting in a win-win outcome for you and your spouse. Divorce has become a way of life. One million couples dissolve their unions every year,

profoundly affecting millions of children. While divorce can have many negative consequences, it need not be a disaster for children. For nearly twenty years, the Kids' Turn workshop program has been helping parents and children identify and cope with separation and divorce issues. Good Parenting Through Your Divorce distills Kids' Turn wisdom for individual readers, presenting key topics that concern all parents and their children throughout the divorce and beyond, including: How to recognize, cultivate, and respond to your child's feelings How divorce affects your child's development How to support your child's expressive self The challenge of behavior and discipline The dos and don'ts of shared parenting Understanding and managing negative reactions Guidelines for developing positive emotional habits How to manage communication with your co-parent An essential, comprehensive guide for parents, Good Parenting Through Your Divorce helps you help your children adjust to a new family arrangement. Chapters on childhood development, discipline, healthy communication, and how to move forward make this a user-friendly, complete treatment of a common but challenging experience. " Your son." I will never forget when my mom came into my room and told me that dad was moving out. I knew they had not been getting along but I never thought he would actually leave. the cycle NOW. We pray you join us in this journey. This Student Workbook is not a stand alone workbook. You need the Leaders Guide in order to use this workbook. Unfortunately, a divorce is akin to a war; one does not go to battle without being sufficiently prepared and without considering every strategy prior to engagement. In *Winning Divorce Strategies*, author and attorney Brian D. Perskin details the tactics his firm has learned and the mistakes he's seen in divorce cases with the goal of maximizing your happiness and ensuring you achieve the best possible outcome. From filing for divorce through the trial, *Winning Divorce Strategies* provides guidance to help you avoid the pitfalls of divorce and to help you prepare a game plan to take control of your divorce. It provides information on • choosing a lawyer; • deciding to litigate or negotiate; • recognizing the opposition; • filing and serving papers; • being prepared; • making financial decisions; • winning custody strategies; and • negotiating a win-win settlement. Through experience gained from real-life situations, Perskin shares the divorce secrets he has discovered and details the tactics that have been designed to ensure you are in the best possible position throughout the case. #1 New Amazon Bestseller In All Divorce Categories! 5 STAR AMAZON BOOK in only 80 pages! Praise for *MENy Calculations*: "The quizzes alone are worth the price of the book. The author did an amazing job of creating an interactive system not like anything I've ever seen before. Everything in the book is geared towards helping you create an effective strategy to handle both court and after settlement issues" - Jamie Hoffman "I'm thankful I came across your book. So detailed and insightful. Made my heart start beating fast as I started formulating MY plan while reading the book" - Coltsfan1 "The process of going through a divorce leaves us upset and confused. This is a very positive book that steps you through the experience with lots of solid advice and guidance. It shows you what to expect and helps you think clearly. Get the things you need for yourself and your kids without getting left out in the cold by your ex's lawyer. This is an exceptionally well written and enjoyable read." - Kevin *MENy Calculations: Win Divorce & Custody Before You Step Into Court (Vol. 1)*, savagely arms guys with valuable insight, help and tips for messy divorces and how to strategically win in court. This dynamic book delivers practical divorce help for men through a surprisingly simple and groundbreaking approach in only 80 pages. This book is for all men - not just fathers seeking child custody and works in every unique divorce. Every day,

millions of great men are losing it all, great fathers are losing custody and great dads are being alienated from their kids. A few years ago, divorce knocked me down. But I got up much stronger and wiser - having recorded the lessons I learned. Lessons, I wish I'd known sooner. Lessons, I pass to you, like the shirt off my back. Going through it, I made a promise that I'd give back to other guys "going through the struggle". This book was purposely written to support our under-advised population of guys on their gravelly road ahead - told the way I'd tell a buddy in need. So, let's grab a drink, one on one, talk preparation, strategy and get you some financial help (saving you thousands) in the process. We've got a lot to talk about. **YOU CAN WIN** primary legal & physical child custody. **YOU CAN WIN** child support. **YOU CAN WIN** your home. **YOU DON'T HAVE TO PAY** alimony. **YOU DON'T HAVE TO PAY** spousal support. **YOUR STBX** (soon to be ex) can pay some of **YOUR** court costs and get visitation every other weekend. And the best part, is that I'm just like you. I'm **NOT** a lawyer. I'm just a regular guy who did it mostly on my own, beat the odds and **STILL WON IT ALL. YOU CAN TOO.** The dreaded D-word does not have to be devastating. Divorce can happen in a positive way. Charmed Divorce takes you through all aspects of your journey after marriage from the initial separation to adventures in dating. Complete with advice on in-laws, kids, and separation, Charmed Divorce has entertaining and enlightening chapters on everything from downsizing your household to reevaluating your career. Rediscover yourself the charmed way with easy activities to complete at the end of each chapter, along with a list of 101 things to do when getting divorced. By the time you finish reading, you'll be ready to have a Just Divorced! party to celebrate the new you! This book challenges the conventional views of divorce, and presents instead the refreshingly sane view that getting organized, tackling practical matters, and giving priority to financial and legal decisions relieves much of the trauma and confusion. The Divorce Decisions Workbook addresses a full array of divorce issues including: tax implications, custody, property rights, child support, and alternatives to litigation. It's tough to play it cool on a sultry summer night . . . The perfect daughter. The perfect prom queen. The perfect wife. Jenny Tolliver's been the good girl all her life, and it's gotten her nowhere. Now that her marriage has been busted up by her cheating ex, she's decided it's time to regroup and rediscover herself. This summer she's headed back to her hometown of Destiny, Ohio, to the very lakeshore cottage

where she grew up, to figure out what life holds in store for her next. She never dreamed the answer would be Mick Brody, Destiny's #1 hellraiser. He comes from the wrong side of the tracks (or in his case, the lake), and he's landed in hot water more times than he can count. He's exactly the kind of guy Jenny's always kept her distance from . . . but soon the good girl and the bad boy are caught in a raw heat that's out of control. Too bad Mick's got a secret that threatens to tear them apart and ruin Jenny's perfectly, passionately reckless summer . . .

Supporting children and families through separation and divorce is a major area of concern in contemporary society. However, it is sometimes hard for those professionals who are helping families to hear the `voice' of the child in this process. Writing from their wide experience as clinicians working with children and families, Emilia Dowling and Gill Gorell Barnes set out in this book to address this gap, and allow the child to be heard. Working with Children and Parents through Separation and Divorce combines research with clinical and practical approaches to working with families going through stressful changes linked to separation or divorce. Attention is given to the wider context of children's lives with the implications for general practice, schools and other services addressed in special chapters. A focused approach to divorce related problems that takes each family member's view into account is illustrated. Combining individual and family work helps parents to resolve difficulties, enabling children troubled by parental separation to progress with their own lives. This book is essential reading for `front line' professionals as well as specialists who encounter children and families going through this life transition in the course of their work. Marriage rituals and divorce procedures have varied widely over time and across cultures. The History of Marriage and Divorce explores the evolution of these two institutions, from our early hunter-gatherer ancestors through antiquity and the middle ages up to modern times. In this book, collaborative attorney and former psychology professor Harry L. Munsinger explains the legal, economic, religious, evolutionary, and psychological issues involved in mating and divorcing. This book will give readers insight into why humans marry, divorce, and remarry with such irrational abandon. The reader will discover that the tendency to marry and divorce are partly inherited and the personal and genetic appeal of serial monogamy. ? This book focuses on the experience of father's lives after a divorce, and how mental health professionals can help them create a healthy transition. Through the use of case examples critical issues are

highlighted and discussed with supportive empirical findings and clinical insights. Traditionally, the marital legal sessions as well as the ultimate marriage settlement focus on the issues confronted by the ex-wife and mother and on the custody and visitation plan for the children. This is actually supported by law in some places. This can remove the father from important qualitative issues such as what it is like to have children in two households, relationships with two sets of grandparents, where holidays will be spent, fair rotations of responsibility and how continuing parental discord can be resolved. The issues examined in this volume are relevant to a range of professionals who deal with divorcing couples from psychologists and family therapists to legal advisors and judges. Author Zachary Smith, Esq., shares his knowledge of the family law system in Minnesota to aid those going through a divorce or custody situation. This book provides a glimpse in to the workings of the court system, how to work with an attorney, basics of child support, alimony, and custody, and other topics relevant to divorcing couples or those going through child custody battles. While this book is not meant to be a "do-it-yourself" guide, it is intended to help the reader understand the court process and applicable laws so that they may better choose and work with an attorney - or even decide to go it alone. Zach attempts to infuse relevant every-day examples and humor in to this book to make it as readable as possible, and does his best to avoid "legalese" or any jargon that can be difficult to understand. He hopes that you will find the information in this book useful and empowering, and of true assistance with the family court system. Being good parents is hard even when you're happily married, but for separated or divorced couples, parenting can be particularly daunting. There is hope. Mindful Co-Parenting provides divorced parents a practical way through the process that protects their children. In this compact, step-by-step guide, written in a supportive yet direct style, clinical psychologists Jeremy S. Gaies, Psy.D., and James B. Morris Jr., Ph.D., identify what matters most to kids and describe the importance of parents being mindful of their children's needs and wants. Starting with the question of whether or not divorce is the best option for your family, the book walks you through the process, from choosing the most child-friendly divorce proceedings, to navigating co-parenting after the papers are signed, to handling the future challenges of stepparenting and other issues that may arise. By simply paying attention and planning ahead, you and your ex can reduce the potential negative effects of divorce on your

family. Learn how to create a comprehensive parenting plan that can begin to establish a new norm for the benefit of your family's new future. Every woman considering divorce, or in the midst of a divorce, should be empowered to make intelligent, well-thought-out choices for herself, and for her children. In *The Empowered Woman's Guide to Divorce*, noted psychotherapist Dr. Jill A. Murray and noted attorney Adam R. Dodge guide you through the key decisions involved in the divorce process, from making the initial decision to end your marriage, to going through the legal and emotional steps of divorce, and the challenges you may face in the aftermath. In this eye-opening and compassionate guide, you'll learn: To assess how your relationship has affected your body. What you and your children deserve in your lives. The seven legal rules of divorce. To evaluate your legal and financial options. Secrets of navigating the obstacle course in the courtroom. How to tell your children you and your husband are divorcing. Ways to help your children cope with the new reality of alternating between two single-parent households. How to deal with custody and visitation issues. To manage emotions such as anxiety, depression, and loneliness. Strategies for healthy co-parenting with your ex. How to ease back into dating post-divorce. If you're going through a breakup, you're not alone. Forty to fifty percent of marriages end in divorce. *The Empowered Woman's Guide to Divorce* shares the voices of real women experiencing the same messy, confusing, and at times, exciting milestones. In clear and easy-to-read language, it helps you answer every question you didn't know you had about divorce until now. Reclaim your life and your self! The weeks following your separation may prove to be the most difficult weeks of your life. But with a little help and support, you'll find the strength you need to get through the divorce process and move on. Author Loriann Hoff Oberlin, M.S., understands the rough road to starting over. A survivor herself, she shares her personal experience as well as her professional expertise as she shows you how to rebuild your life, step by step. *Surviving Separation and Divorce, 2nd Edition* provides you with markers for the legally and emotionally taxing journey ahead, including how to: Rebuild your self-esteem Explore reconciliation--or not Help your children get through the transition Deal with lawyers and the court system Manage money and finances Return to and thrive in the workforce Develop an active social life Consider remarriage With this completely revised and updated classic at your side, you'll summon your inner strength, let go of the past, and build a better future--starting today. Divorce

is a difficult passage, but there are practical things any couple can do, individually or together, to make the transition as painless as possible. Every divorcing couple needs the guidance in this book because, without it, the process will not go smoothly. Author Ed Sherman, an attorney with 35 years of experience and over 45,000 successful cases, shows how most divorces fit one of five profiles. He helps readers discover their profile then leads them through the process, step by step, of overcoming what can otherwise turn into major mental and monetary roadblocks. Through its communication, organizational, and negotiation tools, *Make Any Divorce Better!* not only saves readers money, but puts them - not lawyers or the courts - in charge of the process, allowing them to get it done faster, with a minimum of emotional and financial expense, and move on with their lives. For the majority of individuals, deciding to go in the direction of divorce is rather difficult. The mere thought of divorce may have been looming for months or even years. Statistically speaking, one in two marriages end in divorce, thus you are not alone nor are you the first to be at the crossroad you are currently facing. Upon reaching this all important decision, the important thing is that you are fully knowledgeable in all you should expect during the divorce process. This book is intended to serve as that guiding hand to lead you through the process of finding a good attorney, handling sensitive issues with children of divorce, parenting, property division, healing and so much more. Unfortunately, many individuals tend to be unprepared for the impending turmoil one can face. You have the option to be prepared and gather that paperwork which will be necessary. The court case can go in an organized fashion, but it all depends upon you.
